Star Trek Memories William Shatner,Chris Kreski,1993-10-01 Encompassing plot summaries of all seventy nine TV episodes and the six hit films Captain Kirk shares his reminiscences about the making of Star Trek a history of the show as a cultural phenomenon and behind the scenes antics *The City on the Edge of Forever* Harlan Ellison,2014-04-01 The award winning original teleplay that produced the most beloved episode of the classic Star Trek series with an introductory essay by the author USS Enterprise Starfleet officers Capt James T Kirk and Mr Spock escort a renegade criminal to a nearby planet for capital punishment and they discover the remains of a city This ancient civilization is inhabited by the alien Guardians of Forever who are tasked with protecting a time machine When the criminal escapes through the portal into the past he alters Earth s timeline damaging humanity s future role among the stars Pursuing their prisoner Kirk and Spock are transported to 1930s Depression era New York City where they meet pacifist Edith Koestler a woman whose fate is entwined with the aftermath of the most devastating war in human history A woman whom Kirk has grown to love and has to sacrifice to restore order to the universe In its original form The City on the Edge of Forever won the Writers Guild of America Award for best teleplay As aired it won the Hugo Award But as Harlan Ellison recounts in his expanded introductory essay Perils of the City the televised episode was a rewrite of his creative vision perpetrated by Star Trek creator Gene Roddenberry and the show s

producers In his trademark visceral no holds barred style the legendary author broke a thirty year silence to set the record straight about the mythologized controversy surrounding the celebrated episode revealing what occurred behind the scenes during the production Presented here as Ellison originally intended it to be filmed this published teleplay of The City on the Edge of Forever remains a masterpiece of speculative fiction and a prime example of his uncanny ability to present humanity with all its virtues and faults

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
