My Forever Love:

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times

Symphony Of The Untold Rida Afroz,2025-04-23 Poetry has always been the language of the unspoken the echoes of emotions too deep for mere words Symphony of the Untold is a collection born from those silent whispers the unshed tears and the dreams that linger between reality and reverie Each poem is a note in a melody that tells stories of love longing hope and the mysteries of the heart Through this anthology I invite you to pause to feel and to find your own reflections within these verses May these words resonate with you not just as poetry but as pieces of your own untold symphony *Sincerity* Shawna Kidd,2011-02-16 Sincerity Always For Always is a nontraditional poetry book that has been written from the heart It is based on the authors own personal affiliations tribulations and significance given to life and living The craftsmanship of words is designed to allow the reader to gain a new perspective on the art of living hope happiness and love Sincerity is truly a must read that will inspire motivate and make you think twice about your own lifes experiences appreciating your own misfortunes challenges and successes In the authors own words Life is worth living and the quality of life that we live is dependent on our own personal choices Despite temporary setbacks as human beings we are resilient people and we can rise above demand love and happiness and it will be yours After all we as individuals all deserve it Collection of Poetry V.

"Jenny" Robinson,2019-12-13 Collection of Poetry by V C Jenny Robinson **A Soul's Romancing** G. Alton Adams,2014-02-04 Each of us is brought into this world with an insatiable often misunderstood longing a haunting of desire for something that is beyond us Mysteriously sensing our fractured incompleteness A Souls Romancing Experience the Holy exposes the source of our shared inner desperation as the souls expressive search for unparalleled and consuming intimacy A Souls Romancing Experience the Holy offers insight into the mannerisms of the soul and offers a much needed language for the restless heart of humanity Bouquet of Roses ,2025-01-14 The book Bouquet of Roses is an anthology in which twenty two writers from different parts of the world have written messages to their loved ones They have tried to say something to

their close ones in written form This book is particularly written to let their loved ones know their feelings towards them or receive an important message from them The writers have tried their best to write a message which readers may find thoughtful They have poured their heart out through their creativity *Defining Love* Rod Charles,1901 Recently I was thinking of a way to define love I will use a visual illustration to look at love There are many different inaccurate uses of the word love as it applies to the material world From the heartfelt love I see that there are two ways to define love One To fill a void in our lonely lives we find a kind of love that I refer to as a superficial love To illustrate this I will use a glass of water Once the water is consumed the glass is empty as is life and the lonely heart returns to find another glass of water That is why the divorce rate in the world is so high This kind of love is very definable as you can see Two Again I will use the same glass of water to illustrate this second kind of love The glass is full of water as before however when the water is consumed the glass is still full It does not matter how much water is consumed the glass remains full there is no way to explain or define the reason why this phenomenon exists It is a kind of meaningful everlasting love You can live this love through the deep feelings from an unknown source within our hearts and our inner beauty Inner beauty is defined as living life from the heart These deep feelings of love remain undefinable We feel this love but we will never know why and we really do not need to know why This love is just there and all the relationships last until death do us part For centuries philosophers sages and countless other individuals have tried to define these inner unknowing feelings of love All efforts have failed and will continue to fail for as long as time exists These words I have written here I hope will inspire the readers to look at life a little differently **TEXAS GLORY** Joan Elliott Pickart,2011-07-15 THE WIFE HUNT Glory Carson couldn t believe she d actually agreed to sexy Texan Bram Bishop s unorthodox proposition For two weeks she would act as Bram s wife so the determined wanna be groom could learn the husband ropes and lasso himself a real bride Glory herself had no intention of ever getting married As a marriage counselor she was only in this ruse for its research value certainly not because she found the blue eyed blue collar Bram husband material And although she thought she d conveyed this loud and clear she never counted on Bram s love of a challenge FAMILY MEN Tux Bram Blue and Gib are four unforgettable men with love as endless as the Texas sky just waiting for women special enough to win their hearts *THE DARKNESS FROM WITHIN* J. Ryan Caplinger,2023-09-08 The darkness from within is something that everyone can relate to no matter what age what generation nobody gets through life unscathed We all have a past we all go through darkness and pain No matter what darkness we go through in life it is up to us to see the light and find our way out Have you ever loved a narcissist and lost your own identity Have you ever had your heart broken or broke someone s heart Have you ever lost someone you loved too soon and didn t know how to say goodbye Unfortunately we all have it is up to us to fight the darkness from within and find the positive even if that means it was never your fault It was the cards you were dealt Life isn t fair but if you search within yourself you will find the answers so that you will not be defeated by the darkness and find your inner light **LOVE FOREVER...LOVE**
