

My Friend Roger

My friend Roger says
that I can't walk up the road with him
in case his parents see me
so I say goodbye to him
at the corner of the road.

But sometimes I just
lean
round
the edge
of the wall on the corner
and watch him walk up the road
on his own.

Poems for You about Me, My Friends and Our Emotions Mark Isbister, 2003-10 How does one summarize an eclectic collection of words that express the jumbled sets of complex emotions spanning a lifetime What they mean to those who were the motivation for their creation cannot begin to be

expressed to mere readers who happen upon this book as passersby to a recent accident You see the results but needed to have been there to fully feel the impact on your emotions Yet poetry like art of a more physical nature has meaning to each of us on our own level It is with that thought in mind that the author submits these poems to the world If nothing is gained from the reading but a single laugh a solitary tear or one knowing nod of the head then the job will have been worth the doing Please walk the path of life a little less quickly and hug those you love a bit more often Franciscan Essays and Others
