My Garden Mi Jardin:

My Garden/ Mi Jardin Rebecca Emberley, 2008-12-14 Rebecca Emberley's first eight board books featuring colorful images and simple words in both Spanish and English have sold a total of more than 779 000 copies. Here is another book in the same vein that should meet with the same degree of success. Spanish and English exist side by side in many areas of the country and these graphic books are a wonderful start in dual language learning. *Teaching Beginner ELLs Using Picture Books* Ana Lado, 2012-09-12 Picture your beginning ELLs reading their way to success. For beginning ELLs a picture really is worth a thousand words. Picture books are useful tools for building important language and social foundations that students may miss through traditional instruction. Ana Lado provides all the tools you'll need to engage ELLs of any age with picture books including how to design lessons around picture books. Select appropriate titles using specific criteria. Incorporate fun and engaging strategies like singing and reenacting. Access the book's searchable online database to find the right book. Integrate picture book learning to facilitate development of English Language Proficiency. *Heroes Are Grazing In My Garden* Heberto Padilla, 1999-12 A chilling account of the fate of intellectuals and artists in contemporary Cuba. Heberto Padilla's frankly autobiographical novel is the story of a writer who refuses to give over to the revolutionary state's other power of his art. In the process *Heroes Are Grazing In my Garden* paints an astonishingly realistic portrait of an idealist movement gone sour and the lives of the men and women lost in the somber turn of the tide. **A to Zoo** Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning, readers advisory or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles. My Enchanted Garden Mi Jardín Encantado Nina Duckett, 2015-12-04 This book titled *My Enchanted Garden* consists of fourteen stories about real-life happenings in Nina's own local garden. Written in English and Spanish, a truly unique book illustrated with copies of Nina's original fine art paintings. A book so parents and their children when reading this book together may have their interests peaked to learn lessons they can reap from what magical things happen in a real garden.
