My Half Century Selected Prose:

My Half Century Anna Andreevna Akhmatova, 1997 Anna Akhmatova is known as one of twentieth century Russia's greatest poets a member of the quartet that included Mandelstam Pasternak and Tsvetaeva This is the first paperback collection of her prose available in English The subjects of her memoirs are extraordinary she describes Modigliani as she knew him in Paris Blok near the end of his days and Mandelstam as a close friend The autobiographical prose section reveals the elusive poet's personality more clearly than any biography could including her thoughts about how difficult it was to be a poet at a time when women writers were rarely taken seriously Book Jacket **Becoming Modigliani** Henri

Colt, 2024-05-23 An insightful myth busting biography of early 20th century Italian painter and sculptor Amedeo Modigliani seen through the lenses of the artist's tuberculosis and other ailments *Becoming Modigliani* is a comprehensive biography that delves into the troubled life of the Jewish Italian artist Amedeo Modigliani Written by Dr Henri Colt an internationally recognized lung specialist the book examines the artist's legend and Modigliani's creative journey from a medical perspective from his birth in Livorno Italy to his tragic death in a paupers hospital in Paris at the age of thirty five presumably from tuberculous meningitis *Becoming Modigliani* sheds light on the young man's chronic illnesses addictions and relationships with friends and lovers as he navigated the vibrant yet challenging world of early twentieth century Bohemian Paris Beginning with Modi's birth in 1884 the narrative is divided into five parts seamlessly blending biographical elements with medical insights and a critical analysis of Modigliani's work among some of the greatest artists of the time It also provides thoughtful descriptions of a changing society governed by the impact of infectious diseases war and a flourishing of other creative geniuses such as Picasso Jean Cocteau and Guillaume Apollinaire With thirty seven virtually standalone chapters a preface and epilogue three appendices and a rich array of illustrations and references this biography promises a profound and compassionate exploration of Modigliani's embattled world In *Becoming Modigliani* Dr Colt's aim is to foster empathy and greater understanding by unraveling the intricate layers of Modigliani's existence The result is a captivating and deeply researched tale that will resonate with a diverse audience of serious readers art and medical history enthusiasts sociologists and anyone interested in the human spirit

The Wives Alexandra Popoff, 2021-11-15 Many readers may know that such writers as F Scott Fitzgerald James Joyce and D H Lawrence used their marriages for literary inspiration and material In Russian literary marriages these women did not resent taking a secondary position although to call their position secondary does not do justice to the vital role these women played in the creation of some of the greatest literary works in history From Sofia Tolstoy to Vera Nabokov and Elena Mandelshtam and Natalya Solzhenitsyn these women ranged from stenographers and typists to editors researchers translators and even publishers Living under restrictive regimes many of these women battled censorship and preserved the writers' illicit archives often risking their own lives to do so They established a tradition all their own unmatched in the West Many of these women like Vera and Sofia were the writers' intellectual companions and

willingly contributed to the creative process they commonly used the word we to describe the progress of their husbands work And their husbands knew it too Leo Tolstoy made no secret of Sofia s involvement in War and Peace and Vladimir Nabokov referred to Vera as his own single shadow

The Word that Causes Death's Defeat Anna Andreevna Akhmatova, Анна Андреевна Ахматова, 2004-01-01 Anna Akhmatova 1889 1966 one of twentieth century Russia s greatest poets was viewed as a dangerous element by post Revolution authorities One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges she set for herself the artistic task of preserving the memory of pre Revolutionary cultural heritage and of those who had been silenced This book presents Nancy K Anderson s superb translations of three of Akhmatova s most important poems Requiem a commemoration of the victims of Stalin s Terror The Way of All the Earth a work to which the poet returned repeatedly over the last quarter century of her life and which combines Old Russian motifs with the modernist search for a lost past and Poem Without a Hero widely admired as the poet s magnum opus Each poem is accompanied by extensive commentary The complex and allusive Poem Without a Hero is also provided with an extensive critical commentary that draws on the poet s manuscripts and private notebooks Anderson offers relevant facts about the poet s life and an overview of the political and cultural forces that shaped her work The resulting volume enables English language readers to gain a deeper level of understanding of Akhmatova s poems and how and why they were created

Lyric Poetry and Modern Politics Clare Cavanagh, 2009-01-01 This work explores the intersection of poetry national life and national identity in Poland and Russia from 1917 to the present It also provides a comparative study of modern poetry from the perspective of the Eastern and Western sides of the Iron Curtain

Everything to Nothing Geert Buelens, 2015-12-01 The First World War changed the map of Europe forever Empires collapsed new countries were born revolutions shocked and inspired the world This tumult sometimes referred to as the literary war saw an extraordinary outpouring of writing The conflict opened up a vista of possibilities and tragedies for poetic exploration and at the same time poetry was a tool for manipulating the sentiments of the combatant peoples In Germany alone during the first few months there were over a million poems of propaganda published We think of war poets as pacifistic protestors but that view has been created retrospectively The verse of the time particularly in the early years of the conflict in Fernando Pessoa or Filippo Tommaso Marinetti for example could find in the violence and technology of modern warfare an awful and exhilarating epiphany In this cultural history of the First World War the conflict is seen from the point of view of poets and writers from all over Europe including Rupert Brooke Anna Akhmatova Guillaume Apollinaire Gabriele D Annunzio Vladimir Mayakovsky Rainer Maria Rilke and Siegfried Sassoon Everything to Nothing is the award winning panoramic history of how nationalism and internationalism defined both the war itself and its aftermath revolutionary movements wars for independence civil wars the treaty of Versailles It reveals how poets played a vital role in defining the stakes ambitions and disappointments of postwar Europe
