The Dream Compass Jeff Bredenberg, 2014-04-01 First in the Merquan Chronicles a science fiction adventure of a revolt against tyranny in a postapocalyptic world from a writer to watch closely Roger Zelazny Earth has been devastated in a long forgotten conflict From the ashes of myriad nations and civilizations rose a martial state under the reign of a merciless dictator Despite ruling most of the planet the Monitor will not permit any competing population to threaten his realm To ensure his empire he plans to unleash a weapon of mass destruction with the potential to destroy the world he so desperately wishes to subjugate under his dominion But there are those unwilling to bow before the Monitor Anton Takk a labor camp escapee driven by dark secrets Rosenthal Webb an aging revolutionary hiding deep within a mountain waiting for the right time to return Tha Enton a glory seeking warrior and musician and Pec Pec clever magician Rasta mystic and master manipulator In their fight for their individual freedoms they will inspire a revolution that will save the world Author Jeff Bredenberg writes sustained action sequences which twist like mating serpents his themes are important ones and his voice is different from anyone else s in the business Roger Zelazny [The Interpretation of Dreams](#) Sigmund Freud, 2024-05-24 In [The Interpretation of Dreams](#) Freud demonstrates that every dream carries with it a meaning related to the fulfillment of desires These desires sublimated in our waking life are associated with primitive instincts and will manifest symbolically in our dreams For Sigmund Freud interpreting a dream means giving it a sense that is adjusting it to the chain of our mental faculties and better understanding what we truly are Filled with examples drawn from records of his patients and his own dreams [The Interpretation of Dreams](#) is a unique work that even delving into the study of dreams is intelligible to all Scholars or laypeople interested in exploring the fantastic and revealing world of dreams will be enchanted by this book considered the greatest work of the Father of Psychoanalysis **Dreams Within Dreams** Ulric De Lazie, Edmund D. Griffin, 1864
