My Mother's Secret D.M.B., 2022-01-05 My Mother's Secret By D M B My parents Keith and Betty Lu got involved in Ballroom dancing They took many lessons with many dance instructors One instructor in particular was so kind as to come to our house to provide more advanced lessons Both of my parents and Chico instructor could dance beautifully There were many dance parties for their students At the time I noticed that Chico was coming to the house a lot more often I didn't think too about it after all my mother is a strong Christian woman

I Had Gave Up Mr. Xavier Tobias Thornton, 2012-02-15 The Main Thing The relationship between family structure and crime is so strong that controlling for family configuration erases the relationship between race and crime and between poverty and crime This conclusion shows up time and again in the literature Fatherlessness in America and most pervasively among young African American Males is devastatingly genocidal to the health and sustainability of the Black Family I HAD GAVE UP a poignant true story told in his own vernacular unfortunately is the death chant of millions of people of a darker hue across this nation Xavier Tobias Thornton's depiction of himself as a toddler watching his father loading his truck with his stuff but mostly taking away with him Xavier's only chance at transcending the tragedy of being born black male and poor in America It is my prayer that through this biographical account of a bright uneasily broken child of God's horrendous ascension toward wholeness an epiphany of humanity is realized It is my hope that this book and other literary documentaries will serve as cadence in the march of a time when collectively we faced and conquered a plague on our nation and reaped the fruits of restored families I D Had Gave Up Is about this author who spent almost 11 years of his life behind Bars by the age of 28 years old he'd existed almost half of his life in prison It is also about the 65 million fatherless

incarcerated males like him and the millions to follow if we don't find the social antidote to end the social travesty of fatherlessness *St. Nicholas* ,1915
