

The background of the book cover is a detailed illustration of an industrial landscape. In the foreground, a steam locomotive is pulling a train of freight cars. Behind the train, a large industrial building with a gabled roof is visible. In the background, several tall smokestacks rise into the air, emitting thick plumes of smoke. The overall color palette is dominated by warm, earthy tones like browns, oranges, and greys, giving it a vintage, historical feel.

My Iron Journey:

My Iron Journey Otto Kuhler, 1967 *Parenting: a Journey of Faith While Navigating the Detours* Lucy Watani-Simiyu, 2021-07-30 Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes She wrote this book after a season when nothing made sense and it felt like she d been abandoned by God It was a time filled with anxiety and heartbreak and with many questions unanswered As she shares her story she gives you permission to not be a hero or be an unobtainable version of someone s faithful Christian highlight reel You can be right where you are moving toward freedom As you read In her parental journey and counselling sessions the experiential learning from thousands of parents raised many questions and gives answers to questions such as How can parents connect themselves to the very heart of God What message does God have for you as a parent Can children question their faith in God in a nerve wracking way to parents and yet continue to function sanely How can parents equip themselves with the truth of God s Word to keep sane and fulfill their ambassadorial calling What does it mean for a parent to have a well planned journey for a child You ask what do I do when my child makes the wrong choices How do I deal with contrary or counterculture What about parenting guilt Where is God in all this Filled with verses from Scripture examples from the Bible and practical insights from the author s own life experiences this book will help you combine grace truth and God s Word to find strength and help children overcome obstacles This book points you to the source of joy in your journey by pointing you to God s Word the truth that sets you free when the journey gets weary The blueprint still works not to make you guilty but to liberate you Maybe you are a parent who is paralyzed by fear of your child s choices You may be anxious hopeless and helpless about your child s future Perhaps you are weighed down by guilt and shame caught in a slump overwhelmed with regret trapped in a dead end parenting and numb from a child s choice You may be drowning in disappointment anger shame and unfilled spiritually so that God and his promises do not make sense Instead of tying our hope to specific outcomes let us connect ourselves to the very heart of God With compelling storytelling and sound scriptural backup this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope filled future Retracing the Iron Curtain: A 3,000-Mile Journey Through the End and Afterlife of the Cold War Timothy Phillips, 2023-03-07 Across 3 000 miles and over eight decades this epic new people s history of the Cold War makes eye opening sense of a defining 20th century conflict and how it continues to shape our world today Initially a victory line where Allies met at the end of World War Two the Iron Curtain quickly became the front of a new kind of war It divided Europe from north to south for a staggering forty five years Crossing it in either direction was always a political act in many cases it was a crime to even talk about doing so New generations have grown up since these borders came down freed from the restrictions of the Cold War era But what has the Iron Curtain left in its wake Timothy Phillips travels its full 3 000 mile route from inside the Arctic Circle to where Armenia meets Azerbaijan and Turkey to craft this epic new people s history of a defining 20th century conflict Here in the borderlands where a

powerful clash of civilizations took form in concrete and barbed wire he uncovers the remarkable stories of everyday people forever imprinted by life in the Curtain's long shadow Some look back on the era with nostalgia even affection while others despise it unable to forgive the decades of hardship their families and nations endured A director recalls the astonishing night his movie premiered in East Germany November 9 1989 the very night the Berlin Wall fell And a railroad worker recounts the 1951 hijacking of a passenger train from Czechoslovakia that breached the Curtain granting those aboard immediate asylum in the West These narratives by turns harrowing and heartening paint a vivid portrait of the new Europe that emerged from the ruins Phillips reveals the Iron Curtain's profound impact on our world today even as he punctures the fault lines we draw Publisher's note This book was published in the UK under the title The Curtain and the Wall **Cast**
