My Life in Prison Jiang Qisheng, 2012-02-16 In 1999 leading dissident Jiang Qisheng was given a four year sentence for inviting the Chinese people to light candles to honor the victims of the Tiananmen Square massacre Drawn with indignant intensity from Jiang's time in prison his memoirs record chilling observations of the modern civilized Beijing jails in which he was held While awaiting a farcical trial he shares a cell crowded with common criminals among them a murderer who had

dismembered his victim with an electric saw Along with intriguing vignettes of his fellow prisoners Jiang describes the brutal conditions they all faced inmates led to execution with necks corded to silence them savage fights between prisoners and rare moments of unexpected kindness He describes the frequent beatings by guards the use of the electric prod and a dehumanizing regime aimed at humiliation and the destruction of individual personality After he is sentenced conditions are even worse Prisoners used as slave labor become bitterly exhausted and emaciated while facing new depths of mental degradation Throughout however Jiang retains his dignity his detached and perceptive intelligence and his concern for his fellow sufferers guards included Written in a light and ironic style Jiang s stories of prisoners many of whom come from the most primitive and impoverished layer of Chinese society are related with vividness insight humor and compassion Dismayed by their fatalistic docility the author asks Where lies China s hope Can democracy ever take root in China The answers surely lie in the voices of those like Jiang who dare to speak out My Life in Nevada Politics Richard H.
