Mullin, 2009-01-16 Whereas Western society views death as the last taboo the Tibetan tradition incorporates meditation on death into everyday life Tibetan Buddhists believe that a conscious awareness of one's own impermanence allows a person to live a happy fulfilled life Over the centuries the Tibetans have developed a wide ranging literature on death including inspirational poetry and prose prayers and practical works on caring for the dying This fascinating book presents nine short Tibetan texts Important writings by the Second Seventh and Thirteenth Dalai Lamas and by Karma Lingpa author of The Tibetan Book of the Dead are included It covers topics such as meditation techniques to prepare for death inspirational accounts of the deaths of saints and yogis and methods for training the mind in the transference of consciousness at the time of death **Feeding Your Demons** Tsultrim Allione, 2024-09-24 With exquisite detail shows us how we can transform the energy of addiction shame illness anxiety fear and anger into the energy of liberation Jack Kornfield author of A Path with Heart Are you wrestling with your demons Struggling with depression anxiety illness an eating disorder a difficult relationship fear self hatred addiction or anger Renowned American Buddhist leader Tsultrim Allione explains that the harder we fight our demons the stronger they become If we want to liberate ourselves from the fight once and for all we must learn to nurture our demons In Feeding Your Demons Allione adapts the revolutionary

wisdom of Tibet's greatest female spiritual master for the first time providing a powerful method for coping with our inner enemies. Based on a simple yet effective five-step practice, *Feeding Your Demons* outlines a strategy for transforming negative emotions and self-defeating patterns. By recognizing your demons, giving them form, and then feeding them, you can free yourself from the battle. And the paradigm shift from fighting to feeding demons can apply not only to your personal challenges but also to the challenges of the world at large. Enriched with detailed examples, *Feeding Your Demons* will give you remarkable new insight into the forces that threaten to defeat you, along with the tools to achieve inner peace. A powerful and transformative practice, one that can heal the deepest wounds and reveal profound spiritual truths. Tara Brach, author of *Radical Acceptance*. Tsultrim Allione shows us what life could look like if we were not struggling, not hating ourselves for our problems and frailties, but rather were relating to these challenges with awareness and compassion. Sharon Salzberg, author of *Lovingkindness: The Revolutionary Art of Happiness*.
