

TREE OF LIFE - MEANING OF LIFE

STRUCTURE OF THE TREE OF LIFE

The pinnacle of the meaning of life is harmony, which can be achieved only by fulfilling human (personal) values, whose core structure consists of the moral and social integrity of the citizen, society and the state.

The moral integrity of man, society and the state

The moral integrity of man, society and the state means fulfilling and implementing the moral values in personal, professional and public life, which are:

- (a) **Courage** - symbol of protection of rights and freedoms, heroism, will and dedication
- (b) **Honesty** - symbol of honour, sincerity and conscientiousness
- (c) **Reliability** - symbol of security, responsibility and trustworthiness
- (d) **Justice** - symbol of equality, authorisation and atonement

The social integrity of man, society and the state

The social integrity of man, society and the state means establishing and deepening interpersonal and international relations based on mutual trust.

The origin of a man living since his birth in a community with its own social, legal, cultural and spiritual identity from which the moral and social integrity of the citizen, society and the state is just emerging.

Autobiography of a Garden Patterson Webster, 2022-07-04 *Autobiography of a Garden* follows Patterson Webster's twenty-five year journey as she transforms a beautiful but conventional country property into a 750-acre landscape that challenges what a garden is or can be. A unique personal memoir, this book details how a neophyte gardener moved from copying the ideas of other people to learning from them and finally to striking out on her own. Combining traditions from French and English eighteenth-century gardens with contemporary perspectives, Webster communicates concepts and ideas that underpin the garden's design, sharing a process that evolved over seasons and years. She explores the meaning of creating a garden and the meaning that a garden can create, linking ideas about aging and the passage of time to the reality of growth and death in the landscape and thinking through how art in a garden can reframe questions of memory and our relationship to nature. Using the history of the property as a framework, Webster considers the impact made by those who lived on the land before her: the Abenaki, the early settlers, the cottagers, the farmers, the US southerners who came to Quebec to avoid the summer heat, and the northerners who defeated them in the Civil War. With engaging personal anecdotes, she describes the thinking behind each part of the garden and the examples that guided her, the mishaps and successes she encountered, and her plans for the future. Beautifully photographed and full of inspirational ways of thinking about gardens and gardening, *Autobiography of a Garden* blends history, horticulture, and art, encouraging readers to make their own surroundings more beautiful and more meaningful.

The Bondmaid Fredrika Bremer, 1845 *For the Wild* Sarah M. Pike, 2017-10-03 *For the Wild* explores the ways in which the commitments of radical environmental and animal rights activists develop through powerful experiences with the more-than-human world during childhood and young adulthood. The book addresses the question of how and why activists come to value nonhuman animals and the natural world as worthy of protection. Emotions and memories of wonder, love, compassion, anger, and grief shape activists' protest practices and help us understand their deep-rooted dedication to the planet and its creatures. Drawing on analyses of activist art, music, and writings, as well as interviews and participant observation in activist communities, Sarah M. Pike delves into the sacred duties of these often misunderstood and marginalized groups with openness and sensitivity.

May-Britt My Life's Journey May-Britt Pedersen, Lavonne Quin, 2013-05-01 This is the story of a young girl growing up in rural Sweden with dreams of the Promised Land, America. May Britt grew up on a farm in the most primitive part of Småland, Sweden. As she shares her memories, we learn what life was like on the farm that was located so deep in the forest it was called The End of the World. Growing up, I never dreamed I would one day be living in the Rocky Mountains of Colorado, she says, laughing. But dream she did, and those dreams took her on a long journey filled with laughter and joy, hardship and sorrow, adventure and excitement. This is the story of a young girl who refused to give up on her dreams despite the many obstacles rising up in her path. It is a story of determination and hard work, of love and laughter, and of God's grace and
