My Life With Dreiser:

MY LIFE WITH DREISER. BY HELEN DREISER. Helen Dreiser, 1951 **My Life as Author and Editor** H.L. Mencken, 2011-12-21 H L Mencken stipulated that this memoir remain sealed in a vault for thirty five years after his death For good reason *My Life as Author and Editor* is so telling and uproariously opinionated that it might have provoked a storm of libel suits As he recounts his career as a critic essayist and editor of the ground breaking magazine *Smart Set* Mencken brings us face to face with the literary aristocracy of his day from the dour womanizer Theodore Dreiser to F Scott Fitzgerald drowning his gifts in alcohol Here too are the hacks poseurs and bohemian crackpots who flocked around them Most of all here is Mencken himself defying censors and Prohibition agents with equal aplomb in an age when literature was a contact sport *My Life* Claude Gernade Bowers, 1962 *My Life with Dreiser* Helen Patges Dreiser, 1951 **Living My Life** Emma Goldman, 1970-01-01 The autobiography of the early radical leader and her participation in communist anarchist and feminist activities *Charles Fort* Jim Steinmeyer, 2008-05-01 The seminal biography of the twentieth century's premier chronicler of the paranormal Charles Fort a man whose very name gave rise to an adjective *fortean* to describe the unexplained By the early 1920s Americans were discovering that the world was a strange place Charles Fort could demonstrate that it was even stranger than anyone suspected Frogs fell from the sky Blood rained from the heavens Mysterious airships visited the Earth Dogs talked People disappeared Fort asked why but even more vexing he also asked why we weren't paying attention Here is the first fully rendered literary biography of the man who more than any other figure would define our idea of the anomalous and paranormal In *Charles Fort The Man Who Invented the Supernatural* the acclaimed historian of stage magic Jim Steinmeyer goes deeply into the life of Charles Fort as he saw himself first and foremost a writer At the same time Steinmeyer tells the story of an era in which the certainties of religion and science were being turned on their heads And of how Fort significantly was the first man who challenged those orthodoxies not on the grounds of some counter fundamentalism of his own but simply for the plainest of reasons they didn't work In so doing Fort gave voice to a generation of doubters who would neither accept the straight story of scholastic science nor credulously embrace fantastical visions Instead Charles Fort demanded of his readers and admirers the most radical of human acts Thinking **The Cambridge Companion to Theodore Dreiser** Leonard Cassuto, Clare Virginia Eby, 2004-02-12 The specially commissioned essays collected in this volume establish new parameters for both scholarly and classroom discussion of Dreiser This Companion provides fresh perspectives on the frequently read classics *Sister Carrie* and *An American Tragedy* as well as on topics of perennial interest such as Dreiser's representation of the city and his prose style The volume investigates topics such as his representation of masculinity and femininity and his treatment of ethnicity It is the most comprehensive introduction to Dreiser's work available *Dreiser's "Jennie Gerhardt"* James L. W. West, III, 2014-09-30 In 1992 the University of Pennsylvania Press published a new edition of Theodore Dreiser's second novel *Jennie Gerhardt* The

original published text was altered significantly from the author's intentions its sexual energy was short circuited its criticisms of organized religion were blunted its language was smoothed and sentimentalized and most important Jennie Gerhardt was reduced to a less thoughtful less womanly character The restored edition brings back the sexual charge reinstates the social and religious criticism and makes the language Dreiser's again This volume brings together 19 fresh readings together with an introduction of the Pennsylvania edition by three generations of Dreiser critics The volume includes general assessments analysis of main characters treatments of the autobiographical roots of the narrative views of various traditions realistic sentimental ethnic on which Dreiser drew and investigations of historical contexts that inform his story

American Lives Robert F. Sayre, 1994 *American Lives* is a groundbreaking book the first historically organized anthology of American autobiographical writing bringing us fifty five voices from throughout the nation's history from Abigail Adams Abraham Lincoln Jonathan Edwards and Richard Wright to Quaker preacher Elizabeth Ashbridge con man Stephen Burroughs and circus impresario P T Barnum Representing canonical and non canonical writers slaves and slave owners generals and conscientious objectors scientists immigrants and Native Americans the pieces in this collection make up a rich gathering of American songs of ourselves Robert F Sayre frames the selections with an overview of theory and criticism of autobiography and with commentary on the relation between history and many kinds of autobiographical texts travel narratives stories of captivity diaries of sexual liberation religious conversions accounts of political disillusionment and discoveries of ethnic identity With each selection Sayre also includes an extensive headnote providing valuable critical and biographical information A scholarly and popular landmark *American Lives* is a book for general readers and for teachers students and every American scholar

Cross-cultural Visions in African American Modernism Yoshinobu Hakutani, 2006 Yoshinobu Hakutani traces the development of African American modernism which initially gathered momentum with Richard Wright's literary manifesto *Blueprint for Negro Writing* in 1937 Hakutani dissects and discusses the cross cultural influences on the then burgeoning discipline in three stages American dialogues European and African cultural visions and Asian and African American cross cultural visions In writing *Black Boy* the centerpiece of the Chicago Renaissance Wright was inspired by Theodore Dreiser Because the European and African cultural visions that Wright Ralph Ellison Alice Walker and Toni Morrison acquired were buttressed by the universal humanism that is common to all cultures this ideology is shown to transcend the problems of society Fascinated by Eastern thought and art Wright Walker Sonia Sanchez and James Emanuel wrote highly accomplished poetry and prose Like Ezra Pound Wright was drawn to classic haiku as reflected in the 4 000 haiku he wrote at the end of his life As W B Yeats's symbolism was influenced by his cross cultural visions of noh theatre and Irish folklore so is James Emanuel's jazz haiku energized by his cross cultural rhythms of Japanese poetry and African American music The book demonstrates some of the most visible cultural exchanges in modern and postmodern African American literature Such a study can be extended to other contemporary African American writers whose works also

thrive on their cross cultural visions such as Amiri Baraka Ishmael Reed Charles Johnson and haiku poet Lenard Moore
