My Life with Groucho Arthur Marx,1988 **The Darkest Year** William K. Klingaman,2019-02-19 The acclaimed narrative history of the American home front during WWII from the attack on Pearl Harbor through 1942 For Americans on the home front the twelve months following the Japanese attack on Pearl Harbor comprised the darkest year of World War Two Despite government attempts to disguise the magnitude of American losses it was clear that the nation had suffered a nearly unbroken string of military setbacks in the Pacific by the autumn of 1942 government officials were openly acknowledging the possibility that the United States might lose the war Appeals for unity and declarations of support for the war effort made it appear as though the class hostilities and partisan animosities that had beset the United States for decades had suddenly disappeared Yet a deeply divided American society was splintering even further as conflicting interest groups sought to turn the wartime emergency to their own advantage Meanwhile blunders and repeated displays of incompetence by the Roosevelt administration added to the sense of anxiety and uncertainty that hung over the nation The Darkest Year focuses on Americans state of mind not only through what they said but in the day to day details of their behavior William K Klingaman delves into the social and cultural changes wrought by war including shifts in family roles race relations economic pursuits popular entertainment education and the arts **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, [Groucho Marx & Charlie Chaplin](#) Harry Lime, [The Spirit of Grace](#) Alister McGrath,2016-04-08 In this volume the fourth in the Heart of Christian Faith series Alister E McGrath looks at the Holy Spirit human nature the doctrine of grace and the place of the church in the Christian life Full of stories and helpful illustrations these easy to read devotional books offer spiritual consideration of the difference that our belief in God makes to the way in which we think about ourselves and the world With one volume remaining McGrath s series will define mere Christianity to a new generation for many years to come *Elements of Wit* Benjamin Errett,2014-10-07 Got wit We ve all been in that situation where we need to say something clever but innocuous smart enough to show some intelligence without showing off something funny but not a joke What we need in that moment is wit that sparkling combination of charm humor confidence and most of all the right words at the right time *Elements of Wit* is an engaging book that brings together the greatest wits of our time and previous ones from Oscar Wilde to Nora Ephron Winston Churchill to Christopher Hitchens Mae West to Louis CK and many in between With chapters covering the essential ingredients of wit this primer sheds light on how anyone introverts extroverts wallflowers and bon vivants can find the right zinger quip parry or retort or at least be a little bit more interesting *Focus On: 100 Most Popular American Game Show Hosts* Wikipedia contributors, *Focus On: 100 Most Popular Deaths from Pneumonia* Wikipedia contributors, [The Book of Birthday Wishes](#) Edward Hoffman,2001 Here s a book that quickly solves that thorny problem common to so many of us What birthday gift would be perfect for that friend or loved one who has everything The editor of *The Book of Birthday Wishes* has searched international sources and found the
