My Masterpiece:

“Don’t Disturb my Masterpiece!” Paolo Palmieri, 2012-11-30 This book explores a philosophy of learning inspired by humanistic ideals. It reflects on the transformative possibilities opened up by active engagement with experiential domains. It draws attention to epoch-making transformations in the history of Western civilization that have exposed the dynamic relation between conscience, emotions, and learning. An ecological model of learning is proposed that emphasizes emotional, ethical, and cognitive learning as holistic processes. The model focuses on the pragmatics of learning, the creativity of improvisation, rhetorically mediated experience, emotional settings, and the education of the senses. The book is based on an inclusive worldview. Its fundamental tenet is that rational inquiry, emotions, and morality form a continuum in human nature. Hence, the book envisions novel scenarios where learners are valued for their genuine struggle to realize their humane masterpieces.

My Fingerprint Masterpiece Coloring Book Sherrill S. Cannon, 2023-02-09 Have you ever seen a work of art worth millions which looks like something your child just brought home from school? The dual perspective of Beauty Is in the Eye of the Beholder and just a little bit of The Emperor’s New Clothes is evident in this clever artwork story of a child who paints a fingerprint print in class and then loses it in the wind on the way home. Illustrated from the point of view of a child whose identity is left to the imagination of the reader, since all of the illustrations are what the child sees, the fingerprint print is interpreted by official judges as well as by bystanders. Should people be influenced by what others see or use their own self-esteem to make their own judgments? This coloring book version allows children to illustrate their own version of the book and even to create a masterpiece of their own. This is the fourth rhyming children’s coloring book by this award-winning author whose other bestselling books include David’s ADHD, My Little Angel, The Golden Rule, Mice, Spiders, Webs, Oh My Manner Man, Gimme Jimmy, The Magic Word, Peter and the Whimper, Whineys, and Santa’s Birthday Gift.

My Life Isadora Duncan, 2013-06-10 A remarkable account of a wildly artistic life finally restored to its unexpurgated form with a revealing new introduction by Joan Acocella. The visionary choreographer and dancer Isadora Duncan (1877–1927) not only revolutionized dance in the twentieth century but blazed a path for other visionaries who would follow in her wake. While many biographies have explored Duncan’s crucial role as one of the founders of modern dance, no other book has proved as critical as both historical record and vivid evocation of a riveting life as her autobiography. From her early enchantment with classical music and poetry to her great successes abroad to her sensational love affairs and headline-grabbing personal tragedies, Duncan’s story is a dramatic one. *My Life* still stands alone as a great document revealing the truth of her life as she understood it without reticence or apology or compromise. *New York Herald Tribune*: “Now in this fully restored edition with its risqué recollections and fervent idealism, *My Life* can be appreciated by a new generation.”

The Lyrics Bob Dylan, 2014-10-28 See **One’s Perspective** Timothy J. Donovan Jr., 2019-01-30 *One’s Perspective* is a collection of poems written from the 1960s to the present day that speak of teenage curiosity, lost and found relationships, social turmoil, and

wisdom of the years It is the culmination of a lifetime of reflection just snippets in time framed in poetic verse from one baby boomer s point of view One s Perspective will lead you to recall a time when you felt deeply about a given topic one that made you feel compelled to take a side to march for a cause and maybe to shed a quiet tear or two or to write a poem But no matter how you feel today opinions evolve and points of view change So after reading each poem keep in mind that it s only one s perspective
