My Mystery Lady:

For the People and Lover's Lane T. Moody, 2012-10-19 As a perfect pairing of the journey of life and love For the People and Lovers Lane are grafted together to form one unique collection of lyric poems and short stories Written to expose the unspoken pains joys and uncertainties packaged with life the passages allow each reader to revisit their familiarities about love grief and recovery leaving the reader with a sense of wholeness and contentment To the misunderstood teen mother father wife and husband For the People is our story as it expresses the disappointments and trials that have dictated our decisions The feelings of loss friendships the memories that will forever linger as what ifs in our minds and the promise of success will forever unite us as a people This book was written For the People the human being that dwells in all of us despite being at times oppressed by our minds and shackled in our hearts This book is for you This book is for us When embarking on a journey we hope for smooth travels however as most have experienced journeys have obstacles Each time we overcome an obstacle motivation to continue on envelopes us pushing us to endure The pursuit of happiness is the largest obstacle in the journey of love as love does not always result in happiness and happiness does not always exist with love Lovers Lane takes you through the obstacles leading to the path of happiness As the second piece this has been the most promising work

A Bad Woman Feeling Good: Blues and the Women Who Sing Them Buzzy Jackson, 2005-02-17 The women who broke the rules creating their own legacy of how to live and sing the blues An exciting lineage of women singers originating with Ma Rainey and her protégée Bessie Smith shaped the blues launching it as a powerful expressive vehicle of emotional liberation Along with their successors Billie Holiday Etta James Aretha Franklin Tina Turner and Janis Joplin they injected a dose of reality into the often trivial world of popular song bringing their message of higher expectations and broader horizons to their audiences These women passed their image their rhythms and their toughness on to the next generation of blues women which has its contemporary incarnation in singers like Bonnie Raitt and Lucinda Williams with whom the author has done an in depth interview Buzzy Jackson combines biography an appreciation of music and a sweeping view of American history to illuminate the pivotal role of blues women in a powerful musical tradition Musician Thomas Dorsey said The blues is a good woman feeling bad But these women show by their style that he had it backward The blues is a bad woman feeling good

unsuitable goals is a quiet rebellion her whispered promise to herself that life will be big bold and entirely hers But courage wavers even in the fiercest hearts And when doubt creeps in so does an unexpected ally through the window no less He came chasing answers What he found was her Zachary Caswell unapologetically American and charmingly unimpressed by English decorum is hunting a thief and reclaiming what s his But when his search lands him inside Rebecca s cleverly imagined world he discovers something far more valuable than stolen heirlooms a partner A spark A kindred soul who wants her own future just as fiercely as he s fighting for his They don t match on paper But their hearts are perfectly aligned Rebecca fears she might not be enough to stand tall against the world Zach fears his place in it was never meant to fit Together they learn that strength grows not from conformity but from conviction From love chosen freely From believing that being yourself isn t just brave it s the only way forward She doesn t want to be suitable She wants to be seen And Zach sees her clearly If you ve ever struggled to hold fast to who you are in a world that prefers you quiet and longed for someone who stands beside you simply because they believe in you this story is yours
