All Things Spiritual Phillip Eldridge Williams,2022-01-12 This short quip referred to in conversation and seen often in descriptive writing as well as various and sundry speeches is in reality on shaky ground when taken apart The truth has been the object of the search of man since he became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each Latin phrase in its logo Matter has always been taken for granted but until recently 1939 with the declaration of the Physicists community in Copenhagen Denmark has acknowledged that indeed there is no final field theory for locating reality In this book I will attempt to speak to this lack of reality by delving into the state of being or lack thereof I will refer to as spirituality and the Native American priority given to the Great Spirit and the answer they give to one s ontology why one is here known as their vision quest We will investigate spirituality as that encounter we all

must deal with in our religious medium for finding some sense of meaning and its answer to our need for respect I ll look at the Judeo Christian offering of the image of God and the spooky goings on at a distance stipulated by Albert Einstein as well as the implications of Galileo s insightful declaration in the 17th century that all meaning begins with experience spirituality and ends with experience that spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality Spirituality in the best sense of the word is your taking serious your honor as well as that of others This could be seen as the First and Greatest Commandment and the Second like unto it Thy neighbor as thyself This work is the culmination of 15 years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added unto me Matthew 6 33 Now to have all these things added unto you is to be quickened with eyes to see and ears to hear things matter as they are and not from the might makes right syndrome or the what s in it for me modus operandi This quickening power is the mighty hand of God as opposed to the hand of God revealing the nature of truth God s righteousness as being no respecter of persons time place or thing and doing so unconditionally This is indeed the Final Field or the Truth of the Matter
