

THE NEWFOUNDLAND EXPRESS

Come fellows gather round me,
Come listen hand in hand,
I'll tell you a place called Windsor
Way down in Newfoundland,
The girls that come from Cornerbrook
Are just like all the rest,
They came in here last evening
On the Newfoundland Express.

She came tearing thru' Newfoundland,
Thru' Cornerbrook she roared,
She'd nearly break the fireman's back
Shovelin' on the coal.
So, if you're going to travel,
In your working clothes be dressed,
For you'd surely ruin a good suit
On the Newfoundland Express.

Now we pulled into (censored)
Here the other day,
As we pulled into the siding
I heard a brakeman say,
"You'd better lay down now boys
And try and get some rest,
For we got to keep the tracks clear,
For the Newfoundland Express.

We left (more Censor) on Monday
The day was awful cold,
The fireman and the engineer
Were drunk, so I was told.
The conductor said, "If you're ^{up}conscious
We'll answer your request,
We'll get you in sometime next week
On the Newfoundland Express

See that lonely soldier
With his bayonet by his side
He's going back to Canada
To claim his blushing bride.
He's fought in many a battle
And they claim that he's the best
But he takes his life in his own hand
On the Newfoundland Express

There are hoboes in Newfoundland
I just met one today,
He said that he was anxious
To be getting on his way.
He said that all that was keeping him
Was he needed sleep and rest
But he'd take no chances sleeping
On the Newfoundland Express.

One of our tired soldiers
Said, to Heaven he must go
So he tied himself to the railroad track
When he heard the whistle blow
He must have lain there a long long time,
Because he starved to death
Waiting there on the railroad track
For the Newfoundland Express.

Widdowson,1990-11-01 The Dictionary of Newfoundland English first published in 1982 to regional national and international acclaim is a historical dictionary that gives the pronunciations and definitions for words that the editors have called Newfoundland English The varieties of English spoken in Newfoundland date back four centuries mainly to the early seventeenth century migratory English fishermen of Cornwall Devon Dorset and Somerset and to the seventeenth to the nineteenth century immigrants chiefly from southeastern Ireland Culled from a vast reading of books newspapers and magazines this book is the most sustained reading ever undertaken of the written words of this province The dictionary gives not only the meaning of words but also presents each word with its variant spellings Moreover each definition is succeeded by an all important quotation of usage which illustrates the typical context in which word is used This well researched impressive work of scholarship illustrates how words and phrases have evolved and are used in everyday speech and writing in a specific geographical area The Dictionary of Newfoundland English is one of the most important comprehensive and thorough works dealing with Newfoundland Its publication a great addition to Newfoundlandia Canadiana and lexicography provides more than a regional lexicon In fact this entertaining and delightful book presents a panoramic view of the social cultural and natural history as well as the geography and economics of the quintessential lifestyle of one of Canada s oldest European settled areas This second edition contains a supplement offering approximately 1500 new or expanded entries an increase of more than 30 per cent over the first edition Besides new words the supplement includes modified and additional senses of old words and fresh derivations and usages **The Newfoundland Diaspora** Jennifer Bowering

Delisle,2013-06-01 Out migration driven by high unemployment and a floundering economy has been a defining aspect of Newfoundland society for well over a century and it reached new heights with the cod moratorium in 1992 This Newfoundland diaspora has had a profound impact on the province s literature Many writers and scholars have referred to Newfoundland out migration as a diaspora but few have examined the theoretical implications of applying this contested term to a predominantly inter provincial movement of mainly white economically motivated migrants The Newfoundland Diaspora argues that diaspora helpfully references the painful displacement of a group whose members continue to identify with each other and with the homeland It examines important literary works of the Newfoundland diaspora including the poetry of E J Pratt the drama of David French the fiction of Donna Morrissey and Wayne Johnston and the memoirs of David Macfarlane These works are the sites of a broad inquiry into the theoretical flashpoints of affect diasporic authenticity nationalism race and ethnicity The literature of the Newfoundland diaspora both contributes to and responds to critical movements in Canadian literature and culture querying the place of regional national and ethnic affiliations in a literature

drawn along the borders of the nation state This diaspora plays a part in defining Canada even as it looks beyond the borders of Canada as a literary community By Great Waters Patrick O'Flaherty,1974-12-15 p This anthology offers readers a selection of Newfoundland writing which will illuminate the unfolding of the province s history and culture and at the same time command respect as literature It is comprised of 65 selections from literary and historical sources which range in time from an extract from the Vinland sagas to a poem written in 1968 by a Newfoundlander The selections are arranged in four parts Discovery and Exploration Transatlantic Outpost Colonial Era Breakers Ahead contemporary Each selection is prefaced by a brief introduction Rewriting Newfoundland Mythology Martina Seifert,2002 *E.J.
