The Young Prince and His Fate Jessica Wheeler, 2022-10-26 *The Young Prince and His Fate* Trapped in Time By Jessica Wheeler This book continues the story of Ranvir who is now married and with a child on the way A tragic event makes him want to travel back in time He ends up being trapped in time in a whole different world of what could've been His journey is to get back to his own world before it's too late What makes the story interesting is seeing Ranvir's journey of trying to get back He's still learning that actions come with consequences We finally see him start to realize that when he knows that he could possibly lose everything What makes the message relevant is to not let fear get in the way of anything and everyone has it good until it's gone This is a lesson that Ranvir has to learn What makes this book unique is that it's inspired by the author's life in some ways To say anymore would be a spoiler all the author's ideas for the sequel were based off events that happened to her except the part of going back in time One thing the author wants the readers to gain out of the story is to cherish every moment with your loved ones as tomorrow is never promised
