Touching the Broken Shaquita M (QuitaBelle) Howard, 2021-09-21 *Touching the Broken* Not all smiles are happy smiles By Shaquita M QuitaBelle Howard *Touching the Broken* is about struggling with hurt The author speaks about how she got through her darkest times in her life and how she chose to walk in her purpose to tell her

story to others that have felt alone due to being hurt The author points out that so many times in our lives we experience disappointments and feel defeated because others have not only let us down but we can also let ourselves down by allowing that to tear us down It doesn't have to be that way Break through the fear of being broken The choice is up to you if you want to remain in your brokenness or take charge of your life to help yourself and others who are hurting **The Right Plan for Me** Melody Nicole Williams,2010-12-30 *Matilda* Eugene Sue,1843 *Journey of a Believer* Bob Reinsch,2023-12-05 A map almost ruined our honeymoon It was our second day of marriage and as we were driving up the Olympic Peninsula to Port Angeles I found it difficult to read the map and drive at the same time So I handed the map to my Debbie and asked her to tell me where to turn As a new believer I felt like Debbie Someone hands you a Bible and expects you to know how to read it Jesus had transformed me into a new creation but I was a baby who did childish things and needed a parent to nurture me along and stimulate my spiritual development I hope that in a way I can be that for you as you read the lessons I learned in my pursuit to be a follower of Christ such as learning to effectively tell people how Jesus changed my life becoming consistent in spending time alone with God letting prayer be a vital part of my life discovering what helps grow my faith finding an easy way to study the Bible and mastering sin in my life I thank my heavenly Father and Lord Jesus for my journey because with each lesson I have grown closer to Them As that intimacy deepens so does the longing to be with Them in heaven My prayer is that this will happen to you as I share my journey with you **The Ggod E-Mails** R. W. Hamilton,E. K. Vyhmeister,2004-11-01 A Debate about Religion Jesus Christ and the Existence of God Two men from opposite viewpoints challenge each other's religious thinking to save each other from themselves and their seeming religious blindness In the process of point and counterpoint they find respect and admiration for each other while holding fast to their own beliefs A war of ideas ultimately leads to a peace of mind for both each convinced that the other is in a wrong place but for the right reasons Together they reach the startling conclusion that their opposite belief systems can peacefully coexist in a world threatened to be torn apart by religion **Release Me** Vicky Harrison,2016-09-16 *Release Me* is a book written from the perspective of a mother rather than as an educator over the course of the ten year drug addiction of her older son Tyler and prior to his accidental heroin Xanax death on 1 30 14 The book consists of a series of letters that Vicky writes to Tyler as well as some to her younger son Seth in response to the events that occurred as a result of Tylers drug usage Tyler was an artist from a very early age around three and so the book consists of several letters written by him his drawings that depict how he felt including being guilt ridden and shamed as well as some photographs The book also includes some letters written by teachers and camp kids to whom Tyler was a counselor with the hope that readers will understand that this deceased young man was a lot more than just an addict He was an artist who thought and cared deeply for others and was intelligent creative and sensitive He was also tortured and crippled mentally emotionally and physically by his depression and anxiety which led to his self medication and ultimately his addiction and death Vicky's passion in life is to help other children families as a

teacher and school psychologist so her letters describe her feelings about Tyler bringing the dark world into the family as well as her inability to fix Tyler and his problems One of the other important points about Release Me is that Tyler came from a good family with two working parents who care deeply about him and his brother Addiction particularly opiate addiction impacts people of all ages and in any socioeconomic and educational level Vicky is attempting by writing this book to help other people families with addiction
