My Secret History Paul Theroux, 2011-04-20 Theroux's best novel in years CHICAGO TRIBUNE MY SECRET HISTORY is Paul Theroux's tour de force. It is the story of Andre Parent, a writer, a world traveler, a lover of every kind of woman, he has the chances to meet in a life as varied as a man can lead. From his days as an altar boy to his job as a teenaged lifeguard and then as a youth caught between the attentions of a beautiful young student and an amorous older woman. And as the boy becomes a man, he turns his attention to writing, which brings him fame and a wife who may finally bring him to know himself. But not before he sets up his most dangerous secret life, one that any man might envy, but that could cost Andre Parent the delicate balance that makes him who he is.

The Secret History of MI6 Keith Jeffery, 2011-09-27 The authorized history of the world's oldest and most storied foreign intelligence service, drawing extensively on hitherto secret documents. Britain's Special Intelligence Service, commonly called MI6, is not only the oldest and most storied foreign intelligence unit in the world; it is also the only one to open its archives to an outside researcher. The result in this authorized history is an unprecedented and revelatory look at an organization that essentially created, over the course of two world wars, the modern craft of spying. Here are the true stories that inspired Ian Fleming's James Bond's novels and John le Carré's George Smiley novels. Examining innovations from invisible ink and industrial scale cryptography to dramatic setbacks like the Nazi sting operations to bag British operatives, this groundbreaking history is as engrossing as any thriller and much more revealing. Perhaps the most authentic account one will ever read about how intelligence really works. The Washington Times
