Israeli Foreign Policy since the End of the Cold War Amnon Aran, 2020-12-17. This is the first study of Israeli foreign policy towards the Middle East and selected world powers including China, India, the European Union, and the United States since the end of the Cold War. It provides an integrated account of these foreign policy spheres and serves as an essential historical context for the domestic political scene during these pivotal decades. The book demonstrates how foreign policy is shaped by domestic factors, which are represented as three concentric circles of decision makers: the security network and Israeli national identity. Told from this perspective, Amnon Aran highlights the contributions of the central individuals, societal actors, domestic institutions, and political parties that have informed and shaped Israeli foreign policy decisions, implementation, and outcomes. Aran demonstrates that Israel has pursued three foreign policy stances since the end of the Cold War: entrenchment, engagement, and unilateralism, and explains why.

India in the Indo-Pacific Aditi Malhotra, 2022-06-13. In view of the fast-changing world order, emerging countries are increasingly influencing the dynamics of regional securities. This timely and in-depth book examines India's reorienting strategic posture and describes how New Delhi's security policy in the Indo-Pacific region has evolved and expanded over the past two decades. The author argues that India's quest to leverage its geostrategic location to emerge as an Indo-Pacific actor faces multiple challenges, which create a clear divide between the country's political rhetoric and action on the ground. The author critically examines these contradictions to better situate India's security role in an increasingly fluid Indo-Pacific region.
