My Story by Jesus of Nazareth Brendan Butler, 2020 *Me, Jesus and the Rollercoaster* Eileen Humphrey, 2018-05-03 The reason why I decided to write this book is because all my life I have had family and friends tell me that I need to share my true life stories to the world so others will know how awesome God is no matter your situation Jesus has been my inspiration my entire life I'm not saying life has been perfect and after you read my book you will come to understand that as a young person I was given several gifts of spirit by God But it took me years to understand what and why things were happening to me and why I am able to see things and know things about others without being told about their situation It was later that I found out they were gifts of the spirit I hope you enjoy reading my book and I pray that God ministers to you throughout my experiences and that your faith will grow even more after reading my stories I had to understand that you have to go through the bad times in order to appreciate the good ones

Tell Me a Story Robert J. Hater, 2006 Father Robert Hater strongly believes that story without basic belief lacks direction and basic belief without story is lifeless He illustrates this relationship between story and Catholic belief with sensitive and powerful narratives including the account of his own mother's death and its impact on him This is an invaluable resource for anyone involved in conveying the story of Jesus and the church pastors homilists catechetical leaders catechists and teachers parish ministers and families as well as all who wish to find God in their own stories

[Into the Mess and Other Jesus Stories](#) Debie Thomas, 2022-05-17 He was a disrupter and a peacemaker a rebel and a rabbi His friends were the riffraff and his enemies the religious elite He was the wounded man who healed the sick the homeless man who fed the hungry the convicted criminal who released the captives and the dead man who conquered the grave The stories he told were scandalous and the stories he lived changed the world To reflect on the Jesus of

the Gospels is to reflect on paradox mystery wonder and messiness It is to find God in the shadows the tensions and the ambiguities of life on earth as it is These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness The Jesus who emerges here is not the sanitized Christ of piety and platitude but the Christ of complicated joys and transcendent sorrows The Christ who weeps wonders loses learns and seeks These are the stories of the Incarnate God who finds and loves us in the messiness of our lives **Stories by Willimon** Bishop William H. Willimon, 2020-02-04 Will Willimon is known and read throughout the world for his riveting edgy witty and provocative stories or parables His most beloved memorable and impactful stories are presented in this collection The Stories of Will Willimon will expose readers to joy agony thankfulness greed trust fear healing suffering laughter weeping yearning irony hatred and love Readers may see themselves or their friends at times in these stories Fellow storytellers are likely to retell these stories to friends family colleagues and churches Preachers will find illustrative materials to support their sermons and all readers will be inspired by the insights into the Christian faith provided
