Sex and Death in Eighteenth-Century Literature Jolene Zigarovich, 2013-05-02 This book discusses sex and death in the eighteenth century an era that among other forms produced the Gothic novel commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined By bringing together various viewpoints and historical relations the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality It not only provides part of the needed discussion of the relationship between sex death history and eighteenth century culture but is a forum in which the ideas of several well respected critics converge producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen As the contributors demonstrate eighteenth century anxieties over mortality the body the soul and the corpse inspired many writers of the time to both implicitly and

explicitly embed mortality and sexuality within their works By depicting the necrophilic tendencies of libertines and rapacious villains the fetishizing of death and mourning by virtuous heroines or the fantasy of preserving the body these authors demonstrate not only the tragic results of sexual play but the persistent fantasy of necro erotica This book shows that within the eighteenth century culture of profound modern change underworkings of death and mourning are often eroticized that sex is often equated with death as punishment or loss of the self and that the sex death dialectic lies at the discursive center of normative conceptions of gender desire and social power **Eighteenth-Century British Erotica, Part I vol 3**

The case studies assembled in this volume discuss a variety of traveling practices, experiences, and media, with chapters featuring Asian American and European historical and contemporary perspectives. Truly interdisciplinary in its approach, the volume identifies and examines diverse literary, historical, and cultural texts, contexts, and modes in which traveling and the body intersect, including classic travelogues, new media (e.g., film, digital travel apps, surf culture, and travel-inspired tattoos). The contributions offer various avenues for further research, not only for scholars working with body theory and travel writing but also for anyone interested in the intersections of literature, culture, media, and embodied practices of traveling.

So Nude, So Dead Ed McBain, 2015-07-14. He'd been a promising piano prodigy once. Now he was just an addict scraping to get by, letting his hunger for drugs consume him. But a man's life can always get worse, as Ray Stone discovers when he wakes up beside a beautiful nightclub singer, only to find her dead and 16 ounces of pure heroin missing. On the run from the law, desperate to prove his innocence and find a killer, Ray also faces another foe: merciless and unforgiving, his growing craving for a fix.

The Nude Richard Leppert, 2018-05-04. The Nude explores some of the principal ways that paintings of the nude function in the conflicted terrain of culture and society in Europe and America from the fifteenth through twentieth centuries, as set against questions about human sexuality that emerge around differences of class, gender, age, and race. Author Richard Leppert relates the visual history of how the naked body intersects with the foundational characteristics of what it is to be human, measured against a range of basic emotions: happiness, delight, and desire; fear, anxiety, and abjection. And read in the context of changing social and cultural realities, the bodies comprising the Western nude are variously pleased or tormented, ecstatic or bored, pleased or horrified. In short, as this volume amply demonstrates, the nude in Western art is a terrain on whose surface is written a summation of Western history: its glory but also its degradation.

Being Naked--Playing Dead Alan Woods, 1996. Peter Greenaway has an international reputation as one of the most innovative, stylish, and intelligent of contemporary film makers. His eight feature films, from *The Draughtsman's Contract* to *The Pillow Book*, have variously and sometimes simultaneously prompted controversy, infamy, acclaim, and delight. However, Greenaway is an artist whose work also includes painting, collage, experimental TV, the novel, opera, *Rosa*, and numerous exhibitions, installations, including *The Stairs*, a continuing series of ten projects in ten cities exploring the basic components of cinema. *Being Naked--Playing Dead* explores the complete oeuvre but centres firmly on Greenaway's insistence that his is a cinema of ideas, not plots. Each film is discussed within a thematic analysis of the full range of Greenaway's output and the wider contexts within which it is conceived. In conclusion, there are two extended interviews, making this book essential reading for all Greenaway enthusiasts.

The Female Nude Lynda Nead, 2024-05-01. The history of Western art is saturated with images of the female body. Lynda Nead's *The Female Nude* was the first book to critically examine this phenomenon from a feminist perspective and ask how and why did the female nude acquire this status. In a deft and engaging

manner Lynda Nead explores the ways in which acceptable and unacceptable images of the female body are produced issues which have been reignited by current controversies around the patriarchy objectification and pornography Nead brilliantly illustrates the two opposing poles occupied by the female nude in the history of art at one extreme the visual culmination of enlightenment aesthetics at the other spilling over into the degraded and the obscene What both have in common however is the aim of containing the female body Drawing on examples of art and artists from the classical period to the 1980s *The Female Nude* paints a devastating picture of the depiction of the female body and remains as fresh and invigorating today as it was at the time of its first publication This Routledge Classics edition includes a new Preface by the author **Live Nude Girl** Kathleen Rooney, 2010-07-01 Collects essays about the years the author spent as a professional nude model **The Nude** C. Michelle Lindley, 2025-05-27 Art historian Elizabeth Clarke is sent to a remote island in Southern Greece to acquire a rare female nude sculpture for a Los Angeles collection Disoriented by time zones migraines and suspicious details surrounding the figure s discovery she s dependent on her flirtatious but guileless translator The last thing she expects is to be so pulled to his wife Theo a subversive artist who has amassed a small following for her provocative self portraits which seek to deconstruct the objectification of the female form As Elizabeth immerses herself in the island s cobblestoned mazes and sumptuous cuisine and falls deeper into an infatuation with Theo and Theo s art she starts to question her role in the acquisition of cultural artifacts And when after a hazy night out both Elizabeth and the nude are violated in divergent but damaging ways Elizabeth begins to see a parrallel between the sculpture and herself What does it mean for a woman to navigate morally complicated negotiations of property in a male directed world What other kinds of ownership or self ownership might be possible The Nude On The Cigarette Case Regis McCafferty, 2013-07 December 1939 Nighttime Manhattan Snow mixed with rain Two shots ring out in an alley Max Grant private investigator two double bourbons under his belt enters the alley to investigate A man two bullets in his chest dying paws at his coat pocket His only words are Find the nude on the cigarette case Grant removes the cigarette case looks at the picture pockets it then calls to bystanders to get the police Curiosity even without a client prompts him to investigate and leads him into the murky sphere of activity that surrounds the beginnings of the atom bomb The war in Europe is public but something else was going on quietly behind the scenes never making headlines in major newspapers or news programs on radio Walter Lippman doesn t write about it and Edward R Murrow never mentions it in his CBS news broadcasts That something is the exchange of nuclear fission information between mathematicians and physicists in the Unites States England and Europe In 1939 that information exchange has diminished in volume between the western scientific communities and those under German control and influence most notably Denmark and Norway Sarah Bennett the nude on the cigarette case has been kidnapped and is being held in the Redhook area of New York by German agents Bennett a scientist travels Europe under the guise of an art dealer but is also the conduit for shared information between scientists in Nazi dominated Europe and those in the United States
