Nuestra Buenos Aires:

Jewish Serials of the World Robert Singerman, 2000-11-30 Jewish journalism history is a growing field of active research as evidenced by the growing number of new serials devoted to it. Given the geographic extent of the Jewish diaspora, the Jewish press offers valuable primary source materials for any historical study of the Jewish people. The social and intellectual history of the Jews in modern times can similarly be advanced by an examination of the Jewish press of the world. This volume, the first supplement to *Jewish Serials of the World: A Research Bibliography*, continues and extends the bibliographic coverage to include 3,000 new entries. The new volume's classified arrangement, enhanced by author and subject indexes, provides up-to-date coverage of all pertinent research, including theses and dissertations on Jewish press and journalism history throughout the world in all languages. This new bibliography is indispensable for libraries supporting academic programs in Jewish Studies and journalism, as well as area studies. Singerman's coverage of the studies and research about the Jewish press is broadly defined; his scope is worldwide, and all pertinent languages are treated. The 3,000 entries are verified and bibliographically complete, and special efforts have been made to analyze hidden sections of the Jewish press buried within larger, more expansive studies of related topics. The entries are organized into regional subcategories. Together with the foundation volume, over 6,000 entries are provided, making this an important addition to any library with Jewish Studies or journalism collections.

The Unfinished Song of Francisco Urondo Hernan Fontanet, 2014-10-24 *The Unfinished Song of Francisco Urondo* When Poetry is Not Enough is a comprehensive, well-written, documented, and carefully developed study of the literary work and life of Francisco Urondo, an Argentine poet, intellectual, activist, cultural promoter, revolutionary, and clandestine guerrilla member who died in 1976 fighting for a cause in which he believed: against the oppressive Argentine Military Junta. This methodical but never mechanistic work shows how life events, cultural milieu, political movements, and world circumstances interacted and impacted Urondo's temperament to produce his poetic voice, his prose, and his theatrical works. By studying the man, we get closer to his poetry. With his poetry, the author makes a compelling case for understanding the man Francisco Urondo's life.
