Nuggets of Gold from the Ash Pit Michael Howard, 2018-02-26 We all experience adversity in our lives but how we deal with the trouble that inevitably shows up is a part of the Christian experience The book of Job is generally not a popular book due to the subject matter but if we want to be prepared for the complete Christian journey we must nevertheless commit ourselves to understanding its value In *Nuggets of Gold from the Ash Pit* author Michael Howard explains how the book of Job known for its harrowing and difficult story of Jobs fall at the hands of the devil is in fact filled with golden nuggets of encouragement right from the throne of God if only we are willing to dig for them In the face of the death destruction lamentation and accusation in the book of Job we can also find hopeful loving lessons from God that speak to his compassion for all of his children regardless of the circumstances And it is also a lesson for us one meant to lift us up into Gods presence and bring us into communion with him Job was a man who had it all and then he had it all taken away But from him we can learn how to deal with adversity when it comes choosing to bless God and persevere When it comes to the book of Job we have to dig a little deeper in the ash pit to find encouragement It is there though and we can find it

Dennis McDougal, 2015-07-01 The true story of Theresa Knorr the twisted child abuser who murdered her daughters with the help of her sons told by a former New York Times reporter In June 1985 Theresa Cross Knorr dumped her daughter Sheila s body in California s desolate High Sierra She had beaten Sheila unconscious in their Sacramento apartment days earlier then locked her in a closet to die But this wasn t the first horrific crime she d committed against her own children The previous

summer Knorr had shot Sheila's sister Suesan then ordered her son to dig the bullet out of the girl's back with a knife to hide the evidence. The infection that resulted led to delirium at which point Knorr and her two sons drove Suesan into the mountains, doused her with gasoline and set her on fire. It would be almost a decade before her youngest daughter Terry Knorr Graves revealed her mother's history of unfathomable violence. At first she was met with disbelief by law enforcement and even her own therapist. But eventually the truth about her monstrous abuse emerged and here an award-winning journalist details the jealousy, rage and domineering behavior that escalated into homicide and shattered a family. A former reporter for the New York Times and Los Angeles Times and the author of true crime classics including *Angel of Darkness* about serial killer Randy Kroft and *Blood Cold* about Robert Blake and Bonny Lee Bakley, Dennis McDougal reveals the shocking depths of depravity behind a case that made headlines across the nation. **John Martin's Book**, 1923
