**Numbers** Walter Riggans,1983-01-01 Although the name of the book of Numbers derives from the lists and census data contained therein Walter Riggans shows that this biblical book rich in content is best understood in the context of the Pentateuch as a whole In this incisive commentary the author describes the people of Israel during their trials in the wilderness throughout the period of adjustment and into the time of settlement He illustrates that the underlying theme of Numbers is the gracious providence of the Lord who cares for Israel in spite of constant rebellion by the people and their leaders Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today **Numbers** Walter Riggans,1983 New Daily Study Bible, Gospel Set

Smatlak,2019-03-13 The Christian religion suffered three schisms during its two thousand year history Orthodox Protestant and Anglican schisms occurred in succession The Protestant schism resulted in the most significant change to how Christians worship Catholics and Protestants have the same core Christian beliefs However their worship practices are very different Currently Catholics and Protestants have difficulty even talking about those differences It seems like they speak in two different languages and neither side can understand the other In Crossing the Schism author John D Smatlak explains how Catholics and Protestants can reconcile their differences with a new way of approaching the Word Although Smatlak was raised in a Protestant Fundamentalist church and joined congregations from a variety of Protestant denominations he also attended many Catholic church services Because of that broad experience he successfully crossed the schism between Catholics and Protestants Though he remains Protestant he learned to speak both languages By first unlearning some false beliefs both Catholics and Protestants can accept that there are different ways to worship the same Christ Crossing the Schism exposes the false beliefs and uncovers forgotten truths building bridges of Christian love and understanding Because it s only when you learn about the perspectives of other Christians that you more fully understand your own Christian beliefs and grow stronger in your faith      Report of the Conference ... Moffat,2013-05-09 Moffat aims to provide further insight into the mixed marriage narrative by exposing the social and cultural factors on which it is based He also identifies historical traces in the narrative that can contribute to a historical reconstruction of the post exilic era The socio cultural analysis highlights previously unobserved aspects of the narrative as it

understands that the narrative reflects a context in which identity formation issues were prominent in Persian Yehud Moffat argues that the rituals of mourning and penitential prayer are important acts that shaped the mixed marriage controversy The label foreign women is identified as a symbol which carried considerable freight and connected the mixed marriages with wider social discourse on identity Further the Exodus traditions are shown to be significant for the conceptual foundations underlying the narrative and the society that produced it The analysis also gives reason to understand Ezra as the pivotal character in narrative plot This not only affects how the narrative is understood but has implications for historical reconstruction that utilises this narrative

Commentary candidly addresses various controversial issues and offers challenging devotional thoughts and precepts assuring the redeemed and warning the unsaved about the unchanging Truth of God's Holy Word May we heed the words of Christ and open our ears to hear what the Spirit says to the churches **Holy Habits** Marilyn Wilson, Shelly Volkhardt, 2014-02-27 Holy Habits tells how the authors examination of the names of God enabled them to begin living intentionally An intimate understanding of God lays the foundation for making life changes Encounter Him for yourself as you make His characteristics a part of your daily patterns This 12 session Bible study includes discussion questions Learn to develop a lasting relationship with God that will give you a life full of purpose and direction **Double Standards in Isaiah** Andrew Davies, 2021-10-01 Double Standards in Isaiah examines from a reader orientated perspective the ethical teaching of the largest and most important of the prophetic books and addresses the most crucial ethical issue in biblical studies how can Yahweh justly demand such high standards of conduct for his people when he fails to live by them himself The author considers the role of this dilemma throughout Isaiah concluding that the double standards in operation are for Isaiah the inevitable by product of the prophet's vision of Yahweh's exalted status and moral superiority This provocative book offers a unique and creative approach to the difficulty of representing the character and conduct of God and will be essential reading for students of Isaiah and anyone with an interest in the many ethical problems of the Hebrew Bible **KJV Study Bible** Thomas Nelson, 2013-10-22 The best selling study Bible in the King James Version now updated with added features Trusted for 25 years The King James Study Bible has dependable notes and annotations from scholars you can rely on led by General Editor Edward Hindson A clear presentation of conservative Bible doctrine with the resources you need for knowing God's Word Features include NEW Fresh new page design for enjoyable reading of the Authorized King James text More than 5 700 authoritative and time tested study notes offer straightforward communication and clear understanding NEW 48 revised in text maps and charts modernized and redrawn for stress free reference Large 11 point Bible type for comfort reading no matter how long you spend NEW Enhanced concordance with added Hebrew and Greek word studies gives deeper insight NEW Index of Christ and the Gospels NEW Index of Paul and His Letters NEW Index of Bible Prophecy Words of Christ in red Doctrinal and archaeological footnotes and personality profiles written by trusted conservative pastors and Bible teachers Comprehensive book introductions and outlines Center column references with translation notes Complete index to annotations doctrinal footnotes personality profiles and archaeological sites Part of the Signature Series line of Thomas Nelson Bibles King James Study Bibles sold to date More than 2 4 million The King James Version The most successful Bible translation in history with billions of copies published *The Light Shines Through* Carole A. Wageman, 2017-03-01 The treasure trove of stories from Scripture provides wonderful examples of people encountering the mystery of God We read these stories over and over and know how they turn out year after year The one perspective we might miss however is that the characters in Scripture never knew how their story would turn out when they were living the unknown fear joy surprise

and drama of the moment They faced the same uncertainty worry distraction and wonder that we face in light of life events that leave us breathless for hope and help We often fail to grasp how divine participation in the human story is actually what God s story is all about Our stories are God s story Personal narratives then and now seem to be the ways in which God works best as Scripture is transformed from static story to a conversation that informs our own modern dilemmas and uncertainties Today s reader can engage with ancient and familiar tales through the lens of pondering where God might be at work in our own lives as well As today s Church is in an unsettling transition today s spiritual seekers and those who have grown disenfranchised from or disillusioned with traditional spiritual approaches will find a fresh perspective that opens their own story to the overwhelming constancy of God s grace and love      *Prepared to Answer* Rob van de Weghe,2008

*Christianity for Doubters, Second Edition* Granville Sewell,2025-09-09 In *Christianity for Doubters* mathematician Granville Sewell looks at a series of issues that cause Christians to doubt In the first two chapters he shows even more convincingly in this updated second edition that modern science is not close to explaining how the unintelligent laws of Nature alone could have produced intelligent humans and is in fact uncovering abundant evidence for design in the origin and development of life on Earth and even in the laws of Nature themselves But while there is no shortage of evidence that God exists why is it sometimes so hard to see evidence that he cares about people and why does he remain backstage hidden from view working behind the scenes while people act out their parts in the human drama Although these theological problems are more difficult the author shows that some of the most important insights into both the scientific and theological questions can be made by applying a little common sense without relying on ideas that can only be understood by the experts
