Punishment and Forgiveness in Israel's Migratory Campaign Won W. Lee,2003 Through an exegetical examination of the disparate materials of the book of Numbers 10 11 36 13 dealing with Israel s failure to conquer the Promised Land Lee Old Testament studies Calvin College finds a structural integrity and conceptual coherence to the work that rests on understanding of Go

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples

The Sin of Moses and the Staff of God Johnson Lim Teng Kok,2018-07-17 According to the opinio communis of the exegetes the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20 1 13 in the light of Exodus 17 1 7 These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled Type scene The main thrust of this book is that the sin of Moses recorded in Numbers 20 1 13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock This is because the staff of Moses has already become the staff of God Exod 4 20 17 9 Moses abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH s authority Inevitably Moses eclipses YHWH s personality presence and power in the eyes of the people His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land

De-demonising the Old Testament Judit M. Blair,2009 Judit M Blair challenges the common view that azazel lilith deber qeteb and reshef are names of demons in the Hebrew Bible claiming that major works on the subject proceed from the assumption that these terms were demons in the ancient Near East and or later or that they were deities who became demonised by the authors of the Hebrew Bible Without

questioning the validity of traditional methods she supplements the existing works by making an exegesis based on a close reading of all the relevant texts of the Hebrew Bible in which these five terms occur Close attention is paid to the linguistic semantic and structural levels of the texts The emphasis is on a close examination of the immediate context in order to determine the function of each term The author notes different signals within the texts especially the use of the various poetical rhetorical devices personification parallelism similes irony and mythological elements *Dinah's Daughters* Helena Zlotnick,2002-03-14 This is an important title It will be valuable in graduate level study of Western and Middle Eastern antiquity Choice **Mission Possible** Julie C. Ma,2005 *Retiring Retirement* Rodney Macready,2022-05-03 In *Retiring Retirement* Rodney Macready doesn't believe retirement is a biblical concept especially the way it's practiced in today's Western culture with a sense of entitlement His aim is to challenge readers to think about retirement and what the Bible has to say in relation to it He encourages retirees to continue to be productive and contribute to the Kingdom and challenges us to evaluate our current concept of retirement by exploring what the Bible says about it *Essential Bible Study Tools for Ministry* Professor David R. Bauer,2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship *NIVAC Bundle 1: Pentateuch* John H. Walton,Roy Gane,Daniel I. Block,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *In Search of the Spirit: Selected Works, Volume One* John R. Levison,2023-11-13 In his trailblazing studies of the spirit in Jewish and Christian Antiquity John R Jack Levison shatters theological and exegetical taxonomies Should the spirit be understood as breath or Spirit or both Is the spirit directed to creation or salvation or both Is the spirit a force or an angel or both Does the spirit inspire ecstasy or wisdom or both When Levison transfers the starting point of pneumatology from the New Testament to the Hebrew Bible from Christianity to

Judaism questions swell assumptions detonate and expectations flourish Consequently Levison s studies are considered impressive and provocative Review of Biblical Literature delightful engaging Catholic Biblical Quarterly compelling eloquent sensitive Word and World and a remarkable read Themelios with profound ramifications for both Jewish and New Testament Studies Journal of Jewish Studies Now for the first time selections of his breathtaking array of studies are available in three accessible volumes This volume in which you will discover some of the programmatic studies Levison published on the biblical literature of both testaments reveals why Reading Religion A Publication of the American Academy of Religion forecasts that Levison will continue to be at the center of our most fruitful discussions of pneumatology

Sacrifice and Gender in Biblical Law Nicole J. Ruane, 2013-08-06 This book examines the Hebrew Bible s numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite affecting its form and function as well as its legitimacy Sacrifice and Gender in Biblical Law considers the laws of the firstborn the rite of the red cow laws of slaughter rituals of purification and other offerings It shows that these laws regulate material wealth and contribute to the construction of social roles

Reconciliation Janez Juhant, Bojan Žalec, 2012 The book considers reconciliation from various points of view biblical foundations of reconciliation philosophical aspects Girardian and Bonhoefferian reflections on reconciliation intellectual and post totalitarian history psychotherapeutic approaches The authors consider reconciliation also in very concrete historical contexts Hungary Russia Slovenia Islam and Christianity Despite some disagreements their common message is clear human history and present times are covered with blood suffering of innocent victims and negative emotions Hence the only acceptable way is cultivation of the culture of reconciliation

Cultural Number Systems Karenleigh A. Overmann, 2025-04-26 This sourcebook presents an extensive look at cultural number systems in numeracy and writing systems Based on a decade of research by the author the work examines topics such as why Xerxes the First counted his army by having his men march through an enclosure big enough to hold 10 000 of them at a time why the Hawaiian word for twenty means nine and two why an ancient Greek mathematician was driven mad by irrational numbers and how old counting might be and how we might know this Along the way the author describes topics such as dactylonomy the ancient art of expressing and calculating numbers with the fingers specified counting the use of different counting sequences to count different types of objects and the ephemeral abacus strategies for counting that involve people and goods but not an actual device The chapters are organized into six geographical areas the ancient Near East Africa Europe Asia India Oceania and the Americas
