Nursery Rhymes Stand Ups:

Nursery Rhymes Stand-ups Carole Charters, Maggie Murphy, 1985 *Characters and Surprises in Stand-up Comedy* Lorenzo Logi, 2025-11-13 This book employs a social semiotic methodology to investigate how comedians use impersonation and expectation to create humour in stand up comedy It advances the linguistic cartography of how meaning making resources contribute to humour in interactive humour genres Systemic Functional Linguistics SFL underpins the book's approach and is integrated with recent work on multimodality and paralanguage as well as humour studies The author develops a consolidated analytical framework for identifying and analysing the intermodal semiotic resources that contribute to impersonation and expectation in humour including gesture and voice quality paralinguistic resources vital but underexplored in humorous texts The framework is then applied through close discourse analysis of excerpts from three stand up comedy texts by different comedians Ricky Gervais Eddie Izzard and Michelle Wolf The findings outline typical and more complex realisations of intermodal impersonation differentiate categories in how comedians employ impersonation to create humour and describe how linguistic expectation can be established and subverted for humorous effect These findings will be of interest to readers across the disciplines of linguistics humour studies and multi intermodality who are interested in the interaction between paralanguage expectation and the negotiation of values so as to establish and maintain social relationships

Stand Up Oliver Double, 2014-01-22 Stand Up is the first book to both analyse the background of stand up comedy and take us inside the world of being a solo comedian Oliver Double writes a lively history of the traditions of British stand up comedy from its roots in music hall and variety to today's club and alternative comedy scene and also engages in a serious exploration of what it is like to be a comedian onstage in front of a sometimes adoring and sometimes hostile audience He looks critically at the work of such stand up stars as Frankie Howerd Les Dawson Billy Connolly Victoria Wood Ben Elton and Eddie Izzard And he looks at himself as a performer

Learning Through Talk in the Early Years Elizabeth Sharp, 2005-09-14 This book is aimed at class teachers of Reception to Year 3 seeking ideas to develop their pupils speaking and listening skills The author describes each activity in an easy to follow format with links to the relevant curriculum targets The most valuable part of the book is the commentary from the author's own teaching experience This provides some useful insights such as the fact that the flow of children's ideas was improved while they had a discussion while engaged in drawing The book is easy to read It provides a practical guide to some tried and tested speaking and listening activities which may be useful for the beginning Foundation or Key Stage 1 teacher Special Do the children in your class need help with language and listening skills Lots of ideas and suggestions for activities using and encouraging talk in the classroom make this book a lively practical guide to encouraging young children to develop their verbal reasoning skills and to communicate more effectively There is advice on how to tie in these activities with the various curriculum subjects and the following are covered setting up a talk corner using story bags and story boxes using Circle Time and playing games to encourage talk In each

activity there are directions for helping children with Special Educational Needs working with Teaching Assistants TAs and other adults in the classroom planning and assessing work and finding suitable resources A selection of photocopiable material is included and all the suggestions and ideas in the book have been tried and tested by the author in her own classroom The focus of this book is on young children aged 5 to 8 but the activities can be adapted to suit those younger or older

Observing Primary Literacy Margaret Perkins,2017-02-27 Making sense of what a teacher observes in the classroom is vital to their development as a new teacher and a fundamental aspect of high quality literacy teaching By providing real life case studies that analyse what underpins interactions between teachers and children this book will help them understand literary learning processes and develop their own practice Key features of this second edition include A new chapter on teaching grammar spelling and punctuation Links to the National Curriculum in England and the Curriculum for Excellence in Scotland Expanded discussion on teaching phonics Clear guidance on how to undertake assessment without levels

Talk Power Natalie H. Rogers,2021-08-31 A simple step by step science backed system that actually affects your anxiety ridden brain and is guaranteed to transform every previously fearful public speaker into a much admired presenter Do you break into a cold sweat when you have to give a speech Would you rather jump off a ledge than speak in public Have you attended Public Speaking Classes hoping to find a teacher who could teach you to get of rid of your debilitating public speaking anxiety and nervousness only to find false promises disappointments and frustration Natalie H Rogers latest book **Talk Power** The Mind Body Way To Speak Without Fear offers a different approach Instead of the traditional public speaking classes based upon lectures theory tips hints video therapy and suggestions about body language etc Ms Rogers original breakthrough training program focuses upon you your mind and body and the chaos that is actually happening inside of you when you face an audience By practicing her simple and practical Talk Power step by step mind body exercises drills and routines you will develop the performance skills necessary to speak comfortably and confidently in front of an audience of any size Just as with regular practice one is able to grow a muscle on an arm with the Talk Power training program you will develop the skills you need for the mastery of every aspect of public speaking This system of exercises integrating neuroscience behavior modification performance techniques speech crafting and leadership skills actually affects and remodels your brain by developing new neural pathways for performance skills that eliminates anxiety and other negative reactions to Public Speaking Over the past thirty five years Ms Rogers Panic Clinic For Public Speaking Workshops with 13 000 successful and satisfied participants have proven that this unique program works No matter how severe your condition may be practicing at home with the easy step by step exercises routines and drills will help people who previously could never speak in public develop the performance skills necessary for ending fear of public speaking Talk Power will Eliminate stage fright and fear of speaking in public Provide exercises and drills to end self consciousness Establish permanent public speaking skills Help you think on your feet in front of an audience Perfect proper breathing techniques to reduce anxiety

Provide effective templates for speaking at meetings For thirty five years Natalie H Rogers has helped people master their fears of public speaking This new and updated edition offers Rogers s clinically tested perfected and expanded system to a new generation of fearful public speakers with more than twenty years of new science backed methods included for the first time *Good Books Matter* Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level

The Reference Catalogue of Current Literature ,1906 **Creative Themes for Every Day, Grades Preschool - K** ,2012-09-01 Creative Themes for Every Day is the perfect compilation of self directed hands on educational resources that reinforce all aspects of classroom learning Aligning to NAEYC program standards this book focuses on movement art cognitive skills and dramatic play that will help build a strong foundation for kindergarten and beyond Its 160 pages include hundreds of hands on activities and themed learning experiences for school and home **McClure's Magazine** ,1923

The New Yale Book of Quotations Fred R. Shapiro,2021-08-31 A revised enlarged and updated edition of this authoritative and entertaining reference book named the 2 essential home library reference book by the Wall Street Journal Shapiro does original research earning this volume a place on the quotation shelf next to Bartlett s and Oxford s William Safire New York Times Magazine on the original edition A quotations book with footnotes that are as fascinating to read as the quotes themselves Arthur Spiegelman Washington Post Book World on the original edition Updated to include more than a thousand new quotations this reader friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature history popular culture sports digital culture science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyonc Sandra Cisneros James Comey Drake Louise Gl ck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book s quotations annotations extensive

cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages
