Christian Nurture Series ... ,1917 Nurture in Time and Eternity Robert Cummings Neville,2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil Spiritual life however also requires nurturing a sense of eternity within time These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture Nurturing Your Child's Soul Timothy Jones,2006-09-03 Many of us worry about our kids getting pulled under by our culture s negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven t done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present *Friendly leaves, ed. by mrs. Angle,2014-10-15 This is a horror story of native American violence It carries a grim lesson for the whole country Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois On the map Williamson is just another county But in history it is a place in which a strange disease has raged for more than eighty years a disease marked by a pathological tendency to settle differences by force Fascinated by this Paul M Angle the well known historian set out to discover what really had happened Through enormous research he has been able to reconstruct the whole story in all its horrible scarifying detail Using the best techniques of reportage without editorializing

without subjective coloration he has produced a narrative beyond imagination It begins with the Bloody Vendetta a feud that rampaged in the 1870s It deals with labor s success in organizing coal mines in southern Illinois an affair that twice blew up in violence It covers the Herrin Massacre of 1922 perhaps the most shocking episode in the history of organized labor in this country and the subsequent trials The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents And it ends with the story of the gang war between Charlie Birger and the Shelton brothers It is a tale to shake the most phlegmatic reader *Nurturing Faith and Hope* Anne E.
