Guide to Happiness Deniza D.C. Fitu, 2014-03-12 This Guide has many messages, but one is supreme: To be happy, uplifted, and exultant with a true sense of deliverance. But how do we get there? First, we know the Sun is the Center of life for the planet Earth, and we human beings are the energy which has the free will to use it. The Sun is from God, who gives us energy. The energy formula is $E = mc^2$, where m is mass and c is speed of light (186,000 miles/sec). I believe mass is our Blessed Mother, who is m , and Christ is our c , the speed of light, and the Center of our personal Solar System. To have personal energy in our body, we must live in the Mass and Sun, the Blessed Mother's Son. How do we live? Happy, uplifted, and exultant with a true sense of deliverance. The secret of your happiness is to make from your pure heart a living place for God, Blessed Mother's Son, and you. The Guide responds to all your questions. Very original approach. I wish you the best. TOP 10 Eugen Susman. This book heals the human heart. Now I have energy and a new sense of discipline to reach
