Migrant Health Professionals and the Global Labour Market Radha Adhikari, 2019-10-29 This book offers a fresh perspective on gender debates in Nepal and analyses how the international migration of the first generation of professional female Nepali nurses has been a catalyst for social change With unprecedented access to study participants in Nepal the source country following them and their networks in the UK the destination country this ethnographic study explores Nepali nurses migration journeys relocation experiences and their international migration dreams and aspirations It illustrates how migrant nurses strive to manage social and professional difficulties as they work towards achieving their ultimate migration aims The book shows that nursing shortages and international nurse migration are issues of gender on a global scale and that the current trend of privatisation in health systems makes the labour market vulnerable and stimulates

international migration of health professionals Arguing that international nurse migration is an integral part of the globalisation of health the author highlights key policy strategies that are useful for global nursing and health workforce management A well informed and much needed study of nurse migration in the global healthcare market this book will be of interest to professionals and academics working in nursing studies health and social care studies gender and international migration studies and global health studies as well as South Asian studies Out of Sight Robert McAuley, 2013-06-17 Youth crime is simultaneously a social problem and an intrinsic part of consumer culture while images of gangs and gangsters are used to sell global commodities young people not in work and education are labelled as antisocial and susceptible to crime This book focuses on the lives of a group of young adults living in a deprived housing estate situated on the edge of a large city in the North of England It investigates the importance of fashion music and drugs in young people s lives providing a richly detailed ethnographic account of the realities of exclusion and explaining how young people become involved in crime and drug use Young men and women describe their own personal experiences of exclusion in education employment and the public sphere They describe their history of exclusion as the life and the term identifies how young people grew up as objects of suspicion in the eyes of an affluent majority While social exclusion continues to be seen as a consequence of young people s behaviour Out of Sight crime youth and exclusion in modern Britain examines how stigmatising poor communities has come to define Britain s consumer society The book challenges the view underlying government policy that social exclusion is a product of crime antisocial behaviour and drug use and in focusing on one socially deprived neighbourhood it promotes a different way of seeing the problematic relationship between socially excluded young people society and government
