

Eating Disorders

**An anorexic fly was flying
around the kitchen, near the stove
he smelled the spuds that they were frying
so now and then he slowed and dove
down to the pan to have a peek
when suddenly a pale, anaemic
and funny looking two-winged freak
accosted him, said 'I'm bulemic'
I am so starved, must have some food.'**

**The anorexic fly was fearful
that this bulemic would fall in
not only was he very tearful
he'd also lost that insect grin.
So, fly said go and get some spuds
I'll keep an eye out for the cook
he did then emptied out his guts
that's what is written in the book
about bulemics, but those flies
who purge their takings aren't up-front
and to deceive they will tell lies**

**but please permit me to be blunt
it doesn't really bother me
that flies can have eating disorders
the most important theory
about disease causation borders
on witchcraft and plain old conjecture
the search goes on to find a cure
that's why I gave this little lecture
I wanted to make really sure
that people think about this more
prevent the deeds that often kill**

because the victims never will.

Of Desire & Disorder Wayne Dodd, 1994-01-01 Producing Women's Poetry, 1600-1730 Gillian Wright, 2013-04-18
Gillian Wright combines literary and bibliographical approaches to examine the work of five English women poets in the period 1600-1730 **Modern Irish and Scottish Poetry** Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry featuring close readings of texts within broad historical and political contextualisation Playing on influences, crossovers, connections, disconnections and differences, the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice Poets discussed include W B Yeats, Hugh MacDiarmid, Sorley MacLean, Louis MacNeice, Edwin Morgan, Douglas Dunn, Seamus Heaney, Ian Hamilton Finlay, Michael Longley, Medbh McGuckian, Nuala ni Dhomhnaill, Don Paterson and Kathleen Jamie This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty-first centuries **The Chinese Classics: The She-king, or the Book of poetry: pt. 1. The first part of the She-king, or the Lessons from the states; and the Prolegomena. pt. II. The second, third and fourth parts of the She-king, or the Minor odes of the kingdom, the Greater odes of the kingdom, the Sacrificial odes and praise-songs; and the indexes** James Legge, 1871 *Life, Love and Death in Latin Poetry* Stavros Frangoulidis, Stephen J. Harrison, 2018-03-19 Inspired by Theodore Papanghelis Propertius, a Hellenistic Poet on Love and Death 1987 this collective volume brings together seventeen contributions written by an international team of experts exploring the different ways in which Latin authors and some of their modern readers created narratives of life, love and death Taken together the papers offer stimulating readings of Latin texts over many centuries examined in a variety of genres and from various perspectives poetics and authorial self-fashioning, intertextuality, fiction and reality, gender and queer studies, narratological readings, temporality and aesthetics, genre and meta-genre structures of the narrative and transgression of boundaries on the ideological and the formalistic level, reception, meta-dramatic and feminist accounts, the female voice Overall the articles offer rich insights into the handling and development of these narratives from Classical Greece through Rome up to modern English poetry **Gendered Dynamics in Latin Love Poetry** Ronnie Ancona, Ellen Greene, 2005-11-18 In recent decades Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture This new volume, the first to focus specifically on gender dynamics in Latin love poetry, moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them Rather the essays in the collection explore the ways in which Latin erotic texts can have both effects, shifting power back and forth between male and female If there is one conclusion that emerges it is that the

dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society In fact as several essays show there is a dialectical relationship between this poetry and Roman cultural practices By complicating the views of gender dynamics in Latin love poetry this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives **The Poetry of Life in Literature** Anna-Teresa

Tymieniecka,2013-03-09 Poetry of life in literature and through literature and the vast territory in between as vast as human life itself where they interact and influence each other is the nerve of human existence Whether we are aware of it or not we are profoundly dissatisfied with the stark reality of life s swift progress onward and the enigmatic and irretrievable meaning of the past And so we dramatise our existence probing deeply for a lyrical and heartfelt yet universally valid sense of our experience It is in great works of literature that we seek those hidden springs that so move us It is in honour of this search that this collection focuses on the creative imagination at work in literature and aesthetics The Oxford Encyclopedia of

Docherty,1997-07-13 This collection looks at the developments in British poetry from the Movement until the present The introduction not only provides a context for these changes but also argues that poetry criticism has been debilitated by the quest for political respectability a trend which can only be reversed by reconsidering the idea of tradition The essays themselves focus on general themes or individual authors Written in a clear and informed manner they provoke the reader into a fresh awareness of the nature of poetry and its relation to society **Granger's Index to Poetry and Recitations**

,1929 **Victorian Poetry** Isobel Armstrong,2002-09-11 In a work that is uniquely comprehensive and theoretically astute Isobel Armstrong rescues Victorian poetry from its longstanding sepia image as a moralised form of romantic verse and unearths its often subversive critique of nineteenth century culture and politics **POETS & POEMS** GOLDSTONE &

CUMMINGS,1967 **The Oxford Handbook of British Poetry, 1660-1800** Jack Lynch,2016-11-24 In the most comprehensive and up to date overview of the poetry published in Britain between the Restoration and the end of the eighteenth century forty four authorities from six countries survey the poetry of the age in all its richness and diversity serious and satirical public and private by men and women nobles and peasants whether published in deluxe editions or sung
