McCune,Sandra K. McCune,Nancy J. Wright,Janet Elder,Katherine Gonnet,1999 **The Rising State** Bonnie C. Fusarelli,Bruce S. Cooper,2009-02-02 State and national policymakers are increasingly important in shaping the nature scope and direction of education initiatives resulting in the erosion of local control The Rising State weaves together leading national experts perspectives that focus on equity comparative differences in state educational policies agenda setting and the nationalization of education policy The contributors provide policymakers teachers administrators parents and the general public with an opportunity and means to understand the success and failure of the growth of state power and centralization of control of education in the United States and offer forecasts for future developments **Defending the Community College Equity Agenda** Thomas W. Bailey,Vanessa Smith Morest,2006-11-28 Publisher description Now Or Never Tom Luce,Chris Tucker,1995 *Resources in Education* ,2001 **Defying the Odds** Donna Dunbar-Odom,2012-02-01 For me literacy is like trying to open a locked door with the wrong key I don t always see the meaning at first and usually I have to have someone let me in with their key I tend to think that being in college is enough but it still isn t going to guarantee higher literacy for me It is something I am trying to grasp but I am going about it slowly simply because I am not so sure of how important it is to me Rachel According to key literacy research working class students are far less likely to pursue higher literacy than their middle class counterparts yet there are countless examples of those who have defied the odds In this thoughtful look at why some determinedly pursue higher literacy against all expectations and predictions Donna Dunbar Odom explores the complex relationships people have with literacy paying

particular attention to the relationship between literacy and class She shares the personal and often poignant literacy narratives of writers academics and her own students to reveal a great deal about what motivates desire for higher literacy as well as what gets in the way Bringing together these reflections with current literacy composition and class theories Dunbar Odom provides a better understanding of how to tap that desire in writing classrooms Ultimately the author argues that teachers need to focus less attention on how students should read and more on why they might want to
