 Punishment and Freedom Devora Steinmetz,2008-06-10 Punishment and Freedom offers a fresh look at classical rabbinic texts about criminal law from the perspective of legal and moral philosophy arguing that the Rabbis constructed an extreme positivist view of law that is based in divine command and that is related to the rabinnic notion notion of human freedom and responsibility From Adam to Christ Morna D. Hooker,2008-09-10 The publication of these essays in one volume essays published separately and in diverse contexts over a period of thirty years is something of an event Professor

Hooker is one the foremost New Testament scholars currently writing and Paul is one of her major interests This collection includes some of her best writing on Pauline ideas and their contemporary significance The essays focus in particular on Paul s understanding of human redemption The author shows that in contrast to Adam who was created in the image of God but who lost God s glory Christ is the true image of God and the embodiment of his glory Christ has achieved what the Law could not do Rom 8 3 and though the Law expressed the purpose of God and reflected his glory its power was incomplete Several essays in exploring this relationship between old and new center on the significance for Pauline theology of the notion of interchange in Christ and Professor Hooker puts forward the view that Paul s idea of participation in Christ conveyed in such phrases as in Christ and with Christ is the key to understanding his Christology *Holiness Through Faith* Smith,1880

Gray Mitchell,2003-12-16 This book of poetry does not read like a novel because of its rhyme brevity and omission of detail However it is meant to teach inspire and awaken opening eyes ears and hearts to help examine ourselves see who we as a people are where we are headed and where we are taking our children families communities and nation and what we can to do to help bring about or restore wholeness in our lives and the lives of others The first poem in the collection The Child Whod Come is inspired by a real and overlooked little girl caught in an unwholesome situation not of her making Another poem Grand Guardian was inspired by real people It is though written to a wider population who may be in the same circumstances as the individual whose silent passionate voice we hear as we read and the human subjects that the individual addresses Other poems in the collection are reflections on Almighty God and the love he has for his people and creation Still others have personal thoughts that I want to share with you as well as those who are special to my heart A PASSAGE INTO LIFE is for people who are hurting also for hopeful people joyful people people of faith and people who have little faith or no faith It is for saint and sinner alike It is to help anyone who has been hurt mentally physically or spiritually It is also for anyone who harms others in a big way or small way any way at all I believe that everyone who finds himself or herself in trouble in this life can find a way out You will need the help of others who love the Lord God who genuinely care about what happens to you They may not always seem to do things the right way your way They may seem like they are hypocrites or insincere at times or seem harsh giving you some tough love But they can be your stepping stone to lift you up out of deep

despair disgrace shame unhappiness and hopelessness if you are willing to listen to the voice of the Lord in His grace and wisdom and believe the Lord will help you The voice and word of God tells us of the good and the evil things that happen in this life When we find ourselves facing problems troubles or the worst of evils God can lead us to what is good and perfect through Jesus Christ When some people have done things to harm and hurt you call the Lord God can pick you up and lead you into healing goodness and wholeness so that you will be able to keep on going in this life no matter what may happen or what may have happened to you in the past It is important that you believe God is real and that this real living God who created us all and all things in the world and beyond is not just somewhere out there but always near to you and the situation you may find yourself in whether youve been listening to him or not Learn what God can do to and for all kinds of people and what He has done through Jesus Christ with people who lost belief and faith in God or who have stopped paying attention to Him If you never knew God or about God or you lost your belief and faith in Him you must learn or re learn about this Creator and keeper of us all The Holy Scripture the Bible the word of God is the key It is important to know that someone faithful to the Lord God can help you understand Pray and ask God about this I believe in God through Jesus Christ You may guess that I am a member of the Christian faith a sinner who sometimes thinks she is doing the right thing the best thing only to find she has made mistakes in judgment or in what she has done without knowing better or thinking that it was right or the better thing to do at the time

Faith as Life in the Spirit Aaron Gabriel Ross,2025-06-26 This incisive work shows that faith does not need to be understood as what one believes does or feels when faith is understood as being in Christ by being in the Spirit The way in which Christians and Christian theology at least in Western traditions including the family of Pentecostals and renewal movements engages with the idea of faith has a problem faith is often defined as what people must do whether that is to believe in a list of doctrines to do good works or to love properly in order for God to respond with forgiveness and salvation However this work takes a new approach with a pneumatological trajectory in constructing a theology of faith understood as life in the Spirit overcoming a stalemated discussion on faith as belief versus works As such faith is being in Christ by being in the Spirit is the theological recognition that faith is first relationality to the Spirit by which a person is invited into life with Christ and the triune God Faith is not what one does beliefs works affections but rather what one is in relationality with the Spirit Beliefs works and affections are best understood as those things that are the outward expressions of the relationality rather than that which brings one into relationality with God
