Passenger Liners Scandinavian Style:

Passenger Liners Scandinavian Style Bruce Peter, 2003 Superbly produced *German Luxury Ocean Liners* Nils Schwerdtner, 2013-07-15 Profusely illustrated history of German ocean liners and cruise ships **Heritage and Identity** J.M. Fladmark, Thor Heyerdahl, 2015-11-17 Was the shaping of nation states in Northern Europe governed by military might or by Christian and democratic ideals How has trade and cross cultural exchange between Scandinavia and the British Isles shaped our historic identities and what about the impact of global politics and marketing in recent times These are some of the questions explored by the contributors in the context of forces that shape national identities today Their analysis highlights the need for historical awareness when developing future cultural policy brand profiles and marketing strategies Looking back Jesse Byock tells how democracy was first embraced in the north by the early settlers of Iceland Bjorn Myhre delves into the unpredictability of historical interpretation Edward Cowan discusses the role of battles and beddings in relations across the North Sea John Purkis writes about William Morris fascination with Nordic culture Stephen Harrison presents the winning ways of product development and marketing by Manx National Heritage whilst Chris Powell looks at Cool Britannia today and Simon Anholt at national branding strategies This is an inspirational book that sheds new light on old subjects equally relevant for both public and private sector policy makers alike *A Postcard History of the Passenger Liner* Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting **Scandinavian Design** Kjetil Fallan, 2013-05-09 Scandinavian design is still seen as democratic functional and simple its products exemplifying the same characteristics now as they have done since the 1950s But both the essence and the history of Scandinavian design are much more complex than this *Scandinavian Design Alternative Histories* presents a radically new assessment a corrective to the persistent mythologies

and reductive accounts of Scandinavian design The book brings together case studies from the early twentieth century to today Drawn from fields as diverse as transport engineering packaging photography law interiors and corporate identity these studies tell new or unfamiliar stories about the production mediation and consumption of design An alternative history is created one much more alive to national and regional differences and to types of product Scandinavian Design analyses a century of design culture from Denmark Finland Norway and Sweden and in so doing presents a sophisticated introduction to Scandinavian design

Cruise Peter Quartermaine, Bruce Peter, 2006 A look at the story of cruising this book documents a whole range of onboard experiences from the interwar heyday of liner transport right through to the present age of the ship as floating city With the aid of rare archive material as well as new photography the authors examine all aspects of international cruising with its many national

variations both elegant and restrained kitsch and excessive Cruise shows how onboard culture has evolved over the decades to suit the changing needs of the cruise lines and their passengers It is a study of interior and exterior design of onboard entertainment food and changes in the dining experience of corporate identity ephemera and graphics Packed with illustrations Cruise celebrates over a century of passenger seafaring and will appeal to anyone who has travelled the high seas or who yearns to do so **BOOK JACKET** *Ocean Liners* Peter Newall, 2018-01-30 A truly comprehensive publication running the gamut from the first Atlantic sail enhanced steamers to today's remaining handful of combi liners Maritime Matters Before the advent of the jet age ocean liners were the principal means of transport around the globe and carried migrants and business people soldiers and administrators families and lone travelers to every corner of the world Though the ocean liner was born on the North Atlantic it soon spread to all the other oceans and in this new book the author addresses this huge global story The account begins with Brunel's Great Eastern and the early Cunarders but with the rise in nationalism and the growth in empires in the latter part of the 19th century and the opening of the Suez Canal in 1869 the colonial powers of Spain France and Germany soon established shipping lines of their own and transpacific routes were opened up by Japanese and American lines The golden age between the two world wars witnessed huge growth in liner traffic to Africa Australia and New Zealand India and the Far East the French colonies and the Dutch East and West Indies but then though there was a postwar revival the breakup of empires and the arrival of mass air travel brought about the swan song of the liner Employing more than 250 stunning photographs the author describes not just the ships and routes but interweaves the technical and design developments covering engines electric light navigation and safety and accommodation A truly unique and evocative book for merchant ship enthusiasts and historians **Report on the Development of Cruise Industry in China (2021)** Hong Wang, Xinliang Ye, Jianyong Shi, Weihang Zheng, Ling Qiu, Guojian Zhu, 2023-05-29 This book is an annual research report on the cruise industry in China and throughout the world in 2021 contributed by Shanghai University of Engineering and Technology and Shanghai International Cruise Economic Research Center This volume consists of four parts to discuss general and special topics on global and China's cruise industry covering respond to COVID 19 cruise tourism market public health emergency mechanism It offers an all rounded perspective and a strong foresight as well as systematic studies on China's cruise industry in the context of routine COVID 19 control and the new dual circulation development pattern And as 2021 marks the beginning of the 14th FYP period when various plans for the cruise industry were rolled out to chart the course and strategic paths toward development for the cruise industry it focuses also on developments in China's cruise industry *Sea Breezes*, 2006 [Transatlantici tra le due guerre. L'epoca d'oro delle navi di linea](#) Maurizio Eliseo, William H. Miller, 2004 **Ships Monthly**, 2005 **The Fabulous Interiors of the Great Ocean Liners in Historic Photographs** William H., Jr. Miller, 2013-07-24 200 superb photographs capture exquisite interiors of world's great floating palaces 1890s to 1980s Titanic Ile de France Queen Elizabeth United States Europa more **Fairplay**

Weekly Shipping Journal ,1929 The American Scandinavian ,1909 **Soviet Merchant Ships 1945-1968** Kenneth Mason Publications, Limited,1969 Det s rlige ved den dav rende sovjetiske handelsfl de var at den var helt statsejet og under fuld operativ kontrol af staten og dermed sovjetfl den Hertil kom at den netop i 1960 erne blev udbygget voldsomt og idet den var subsidieret udgjorde den et konomisk problem for den frie udvikling af de vestlige handelsfl der Endeligt findes der en r kke skibe her der planl gningsm ssigt skulle overf re opf lgstyrker som anden b lge efter en amfibisk operation mod den sj llandske gruppe Bogen er et systematisk redigeret opslagv rk inddelt i skibsklasser s vel som i kronologiske tabeller efter bygge r Atlantic's Echoes: Tales of Triumph and Tragedy Pasquale De Marco, In the vast expanse of the Atlantic Ocean a realm of beauty and peril awaits Embark on a captivating journey through history exploring the triumphs and tragedies that have unfolded upon these waters From the early days of sailing ships to the modern era of cruise liners the Atlantic has witnessed countless tales of human endeavor resilience and heartbreak Within the pages of this book you will find a treasure trove of maritime history chronicling the iconic vessels that have graced the Atlantic s waves From the legendary Titanic whose sinking shocked the world to the ill fated Lusitania torpedoed during World War I these ships and their stories have become woven into the fabric of our collective memory Beyond these famous tragedies you will also discover lesser known tales of survival and heroism Meet the passengers and crew who faced unimaginable challenges aboard the Andrea Doria Morro Castle and El Faro and learn how their courage and resilience saved lives amidst chaos and despair This book is more than just a collection of maritime disasters It is an exploration of the human spirit our enduring fascination with the sea and the technological advancements that have shaped seafaring over the centuries Through vivid storytelling and expert analysis you will gain a deeper understanding of the perils and triumphs that have defined the Atlantic s legacy Whether you are a history buff a lover of the sea or simply someone who enjoys a gripping tale of adventure this book is sure to captivate and inspire Immerse yourself in the stories of those who dared to sail the Atlantic and discover the echoes of their triumphs and tragedies that linger within its depths Journey through the pages of this book and experience the Atlantic s allure and its dangers firsthand Let the sea s stories wash over you leaving you with a newfound appreciation for the vastness and the power of the ocean that connects us all If you like this book write a review **Shipbuilding & Shipping Record** ,1920

Giants of the Seas Aaron Saunders,2013-10-01 The cruise ship market is a 30 billion dollar industry and in 2013 it is estimated that it will carry more than 20 million passengers nor is there any sign of a slow down in the seven percent annual growth What keeps the passengers coming in such huge numbers isn t the food the ports or the entertainment They come for the magnificent floating palaces themselves the giants of the sea In this new book the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean s ground breaking Sovereign of the Seas When she was launched in 1988 she was the largest passenger ship constructed since Cunard s Queen Mary entered service some 48 years earlier and her entry into service sparked a fiercely competitive building boom that continues to this day The reader is

taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising By employing original and archival photographs deck plans cruise programmes as well as the author s intimate knowledge of many of these vessels a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now and that its origins can be traced back to one ship launched in 1988 A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship As seen in Ships Monthly Magazine
