Passion Cargo:

Junoon (Passion) Satish Seth, 2009-01-01 As a passionate Indian who is tired of carrying the tag of a citizen of an under developed country earlier and now a developing country the pangs of being known as a citizen of a developed country are too fierce to be suppressed any more For us Indians prosperity is not a new phenomenon Indian History is abound with timeless sagas of success knowledge and wisdom that has set the contours for evolution of human civilization in this world A couple of centuries of foreign rule and half a century of questionable governance cannot confine to ashes the inherent strength and pent up potential that is waiting to be unleashed The question that arises is whose responsibility is it to lift India and position her into that supreme orbit that is rightfully hers Each one of us today is racing ahead in life But our races are individual tracks incongruent and destinations grossly skewed Its time to pause despite the race Its time to slow down despite the pace Its time to review our tracks re align our directions and reset our goals This urge for penning this book is perhaps akin to that child who wishes to flag off the train at the railway station in a direction which is different and objective which is contrary to the set practice Through this book I have made an innocent but defiant attempt to flag off a journey for India that would navigate her in the right direction and at optimum pace This would be an effort worthwhile to have attempted even if some of you choose to hold this flag along with me I am sure the rest will follow Satish Seth Drive to Passion Ted Obomanu, 2011-11 The methods of attaining great heights are frequently discussed with many postulations propounded by pundits and individuals of phenomenal accomplishments yet reaching the pinnacle of such heights remains ever so elusive to the masses hence only a select few are able to make these extraordinary strides In Drive to Passion Ted Obomanu chronicles the lives of a few highly accomplished individuals Harland Sanders a perfectionist who was the founder of Kentucky Fried Chicken KFC Winston Churchill the vivacious and popular prime minister of Britain who led his country to victory during the Second World War Joseph Kennedy patriarch of the Kennedy clan business mogul and kingmaker Sidney Poitier acclaimed actor and the first African American movie star to receive an Oscar in a leading role Abraham Lincoln one of the greatest presidents of the United States responsible for the abolition of slavery Suze Orman financial guru and popular TV host who epitomizes passion Barack Obama the first African American president of the United States who accomplished this unprecedented feat despite its improbability Oprah Winfrey owner of a TV network one of the wealthiest and most powerful people in the world and was the host and producer of one of the most popular TV shows ever Obomanu does this to explore firsthand how these individuals were able to reach the summit of their vocations He also turns the chronicling of these great individuals lives into an intriguing narrative without compromising the lessons Obomanu makes significant findings in this book Passion more than anything else is responsible for success and greatness which is self evident in the lives of the great individuals he chronicles to attain distinction the quest for passion should always be centered around a niche passion is fueled by drive and a shift in focus from passion to the rewards of accomplishments such as wealth may potentially derail the

attainment of success and greatness mentors play a huge role in the accomplishment of our goals At the conclusion of this great reading Obomanu delves into how spirituality and personal development can greatly enhance the quest for passion and how the pursuit of passion can trigger happiness and longevity He sums up by asserting that the aspiration of success and greatness should be driven by all the components of passion to ensure its sustainability and potential value to society

Staging Christ's Passion in Eighteenth-Century Nahua Mexico Louise M. Burkhart,2023-06-15 Staging Christ s Passion in Eighteenth Century Nahua Mexico explores the Passion plays performed in Nahuatl Aztec by Indigenous Mexicans living under Spanish colonial occupation Though sourced from European writings and devotional practices that

emphasized the suffering of Christ and his mother this Nahuatl theatrical tradition grounded the Passion story in the Indigenous corporate community Passion plays had courted controversy in Europe since their twelfth century origin but in New Spain they faced Catholic authorities who questioned the spiritual and intellectual capacity of Indigenous people and in the eighteenth century sought to suppress these performances Six surviving eighteenth century scripts variants of an original play possibly composed early in the seventeenth century reveal how Nahuas passed along this model text while modifying it with new dialogue characters and stage techniques Louise M Burkhart explores the way Nahuas merged the Passion story with their language cultural constructs social norms and religious practices while also responding to surveillance by Catholic churchmen Analytical chapters trace significant themes through the six plays and key these to a composite play in English included in the volume A cast with over fifty distinct roles acted out events extending from Palm Sunday to Christ s death on the cross One actor became a localized embodiment of Jesus through a process of investiture and mimesis that carried aspects of pre Columbian materialized divinity into the later colonial period The play told a far richer version of the Passion story than what later colonial Nahuas typically learned from their priests or catechists And by assimilating Jesus to an Indigenous or macehualli identity the players enacted a protest against colonial rule The situation in eighteenth century New Spain presents both a unique confrontation between Indigenous communities and Enlightenment era religious reformers and a new chapter in an age old power game between popular practice and religious orthodoxy By focusing on how Nahuas localized the universalizing narrative of Christ s Passion Staging Christ s Passion in Eighteenth Century Nahua Mexico offers an unusually in depth view of religious life under colonial rule Burkhart s accompanying website also makes available transcriptions and translations of the six Nahuatl language plays four Spanish language plays composed in response to the suppression of the Nahuatl practice and related documentation providing a valuable resource for anyone interested in consulting the original material
