Passion For Detail:

Texts of the Passion Thomas H. Bestul, 2015-08-05 In this book Thomas H Bestul constructs the literary history of the Latin Passion narratives placing them within their social cultural and historical contexts He examines the ways in which the Passion is narrated and renarrated in devotional treatises paying particular attention to the modifications and enlargements of the narrative of the Passion as it is presented in the canonical gospels Of particular interest to Bestul are the representations of Jews women and the body of the crucified Christ Bestul argues that the greatly enlarged role of the Jews in the Passion narratives of the twelfth and thirteenth centuries is connected to the rising anti Judaism of the period He explores how the representations of women particularly the Virgin Mary express cultural values about the place of women in late medieval society and reveal an increased interest in female subjectivity [Touching the Passion — Seeing Late](#)

[Medieval Altarpieces through the Eyes of Faith](#) Donna L. Sadler, 2018-03-06 In *Touching the Passion Seeing Late Medieval Altarpieces through the Eyes of Faith* Donna Sadler explores the manner in which worshipers responded to the carved and polychromed retables adorning the altars of their parish churches Framed by the symbolic death of Christ re enacted during the Mass the historical account of the Passion on the retable situated Christ s suffering and triumph over death in the present The dramatic gestures contemporary garb and wealth of anecdotal detail on the altarpiece invited the viewer s absorption in the narrative As in the *Imitatio Christi* the worshiper imaginatively projected himself into the story like a child before a dollhouse The five senses the sculptural medium the small scale and the rhetoric of memory foster this immersion

The Latin Passion Play Sandro Sticca, 1970-01-01 In this first comprehensive study of the Latin Passion play Professor Sticca examines the medieval liturgical ceremonies commemorating the events in Christ's Passion and traces their gradual change in character from the contemplative to the dramatic The author shows that while Christ's Passion became increasingly popular as one of the sacred mysteries beginning in the tenth century new forces that allowed a more eloquent and humane visualization and description of Christ's anguish first appeared in the eleventh and twelfth centuries Professor Sticca analyzes the earliest extant Latin Passion play the twelfth century Montecassino codex and compares it with other Latin and vernacular Passion plays He refutes the traditional view that the *Planctus Mariae* is the germinal point of the Latin Passion play and then offers a new theory of its inception As a literary form the Latin Passion play

appears to Professor Sticca as a creation of the Montecassino monastic circle which was inspired by the liturgical services of Good Friday and the Gospel accounts. Particularly influential also were three themes that developed in the eleventh century in liturgy: a concentration on Christocentric piety; in art, a more humanistic treatment of Christ; and in literature, a consideration of the scenes of the Passion as dramatic and human episodes. In the course of this investigation, Professor Sticca also reappraises traditional views of the origin of the medieval liturgical drama, indicating that it should not be traced exclusively to the tropes from the schools of St Gall and St Martial of Limoges but rather to a number of sources.

My Passion for Design Barbra Streisand, 2010-11-16

For nearly six decades Barbra Streisand has been one of the singular figures in American entertainment. From the cabaret to the Broadway stage, from television and film stardom to her acclaimed work as a director, from the recording studio to the concert hall, she has demonstrated that the extraordinary voice that launched her career was only one of her remarkable gifts. Now in her first book, Barbra Streisand reveals another aspect of her talent: the taste and style that have inspired her beautiful homes and collections. *My Passion for Design* is her account of the creation and construction of her newest home, the dream refuge she has longed for since the days when she shared a small Brooklyn apartment with her mother, brother, and grandparents, and a culmination and reflection of her love of American architecture and design from the 18th to the 20th centuries. Whether she is seeking an elusive shade of blue for the paneling in a Federal lounge, tracking down a contemporary woodworker who was able to recreate the exquisite Greene & Greene style, or choosing the roses to harmonize with both the interior and exterior of a given room, Barbra's perseverance and attention to detail are remarkable and remarkably engaging. She is a wonderfully witty storyteller as well as a knowledgeable and charming guide. *My Passion for Design* contains not only Barbra's own photographs of the rooms she has decorated, the furniture and art she has collected, and the ravishing gardens she has planted on her land on the California coast, but memories of her childhood and insights into the development of her own sense of style. The millions of fans who have cherished her voice as a singer will find that she has an equally inimitable and compelling voice as a writer. Here is a rare and intimate private tour of the world of one of our most beloved stars, which will be welcomed by her fans and all lovers of the great achievements of American design.

The Passion According to Luke Jerome H. Neyrey SJ, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies leave off for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary

analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion. Five major episodes in the Passion Narrative are treated: The Farewell Address at the Last Supper, the Garden, Jesus's Trials, his Address to the Women, and the Crucifixion. Although rich in detail, this book continually offers a unified view of the text; readers are constantly offered overviews and summaries of the data and interpretation of it. The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology. Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts. This book significantly advances our reading of Luke, especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project. Luke Acts: Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts, which holds true especially for the Passion Narrative. Luke brings the story of Jesus into harmony with the story of his church. *The Sources of Luke's Passion-narrative* Alfred Morris Perry, 1920 *Teaching Music With Passion* Peter Loel Boonshaft Hal Leonard Publishing Corporation, Teaching Music With Passion is a one of a kind collective masterpiece of thoughts, ideas, and suggestions that will surely change the way you teach.
