Passion Power and Peace Gerald E. Collins, 2021-05-10 Spiritual psychology teaches that each lives in a world of individual and collective ideas that create the conditions of life These conditions are a composite of these thoughts and beliefs The main character of this story has beliefs that cause her to create what some might call magic In her view her fantasies that take form are simply a result of her faith and conviction In this tale two military powers bring their interest in conquest to an area around a small village This village has no military but is prosperous peaceful and happy The woman who leads the village is often referred to as a sorceress a priestess or a queen She has no such ideas about herself Her legend started when after a mystical miracle she was appointed as head of her village council This woman of peace named Kaori has been trained since childhood to believe in another world This other world allows Kaori to perform the miraculous and lead her people including her husband who could be labeled a murderer through a difficult period in their village Critical to a reader s understanding of the story is not to label Kaori as a superhero Her personal work is emphasized in the story to illustrate that anyone can gain these capabilities Other members of the Hayshua Village demonstrate unusual abilities as well Also of note is the graciousness of the miraculous in the writing No one commands a miracle They just happen because of the

devotion and availability of the character Readers may also find unbelievable how Hayshua deals with calamity such as a murder in the village As the story unfolds these incidents later make sense Could a larger society really work this way Is vengeance purposeful Four romances advance amid the chaos Often there is not only struggle but also advancement nevertheless Animals plants and even nature herself become part of the seemingly complex web of this story The boundless nature of both individuals and relationships come forth and advance affected by the simple and seemingly meek This writing contains a little romance a little violence a few miracles and plenty of passion And just when things seem to have slowed down an old question is answered with pain and promise Now Kaori must carefully deal with this matter This magical story of conquest and peace amid chaos is also a love story something that teaches entertains and frightens and something to be enjoyed Does love do all this Passion, Power & Sin, Book 4 (Book 1 Free!)
