Passion For Souls:

The Passion for Souls Oswald J. Smith, 1984 DR SMITH S book *The Passion for Souls* for its size is the most powerful plea for Revival I have ever read He has truly been led by the Spirit of God in preparing it To his emphasis for the need of a Holy Spirit Revival I can give the heartiest amen What I saw of Revival in Korea and in China is in fullest accord with the Revival called for in this book It is most timely that DR Smith has called attention to man effort and man method in modern Revival If we all had faith to wait upon God in intense believing prayer there would be genuine Holy Ghost Revival and the living God would get all the glory In Manchuria and China when we did nothing else than give the address and let the people pray and kept out of sight as far as possible we saw the mightiest manifestations of Divine power Had I the wealth of a millionaire I would put *The Passion for Souls* in every Christian home on this continent and confidently look for a Revival which would sweep round the world

The Passion for Souls John Jowett, Reader of Shakespeare Studies English Department John Jowett, 2014-07-28 If you are like most Christians you keep seeking how to get ahead in the money realm A bigger nicer house better cars more stuff for the kids To amass more for your future retirement Yes it s also for your family But what about the family next door The dad and mom next door that do not know Christ You know they are on their way to Hell Both the parents and the children Or the fellow student at school or your fellow worker at work What about them You know God gives you life so that He can get to those other people through you By your love and witness of your life in Christ Of course first repent of all sin live fully for Christ and then seek earnestly to get your neighbor saved How By praying for them And then looking for opportunities to share the gospel with your neighbor As earnestly as you seek to amass money and retirement funds and material goods If you just did the same and put forth the same effort and time into reaching your neighbors for Christ you would then have treasures and eternal gratefulness from all those who came to Christ because of your witness You have a choice Live for and amass a little money here on the earth which evaporates when you die Or live for and seek to get others saved and safe in Christ and see them for an eternity in heaven when you die an eternally precious desire that God seeks and desires

The Heart of Passion Israel Chukwuka Okunwaye, 2018-08-02 God is in search for someone who will be His mouthpiece on the earth As He peeps into the earth He finds many anxious to fulfil their plans without bearing His plans in mind Is there still a soul that pants after God Can the Father rely on you to do His will Will the next rejoicing of the Angels be instigated by you as a result of winning souls for Him The Heart of Passion is about igniting the body of Christ to do the will of the Master For the harvest is indeed ripe but labourers few The book begins from the fundamentals to help all see and grow in all the purposes of God

The Passion for Souls (Classic Reprint) John Henry Jowett, 2015-07-09 Excerpt from The Passion for Souls Unto me who am less than the least of all saints was this grace given to preach unto the Gentiles the unsearchable riches of Christ Eph 3 8 Mark how the apostle describes the evangel the unsearchable riches of Christ It suggests the figure of a man standing with uplifted hands in a posture of great amazement before continuous revelations of immeasurable and unspeakable glory In whatever way he turns the splendour confronts him It is not a single highway of enrichment There are side ways byways turnings here and there labyrinthine paths and recesses and all of them abounding in unsuspected jewels of grace It is as if a miner working away at the primary vein of ore should continually discover equally precious veins stretching out on every side and overwhelming him in rich embarrassment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a
