Tylenda, 2010-09-13 A perfect complement to the movie The Passion of The Christ this book presents reflections that will enable the reader to focus deeply on the true meaning of the Passion In his famous spiritual classic The Imitation of Christ Thomas Kempis reminds the reader that in order to become a follower of Christ one must imitate his life and to accomplish this he adds Let it then be our main concern to meditate on the life of Jesus Christ It is impossible to imitate Christ without first knowing him and the best way of getting to know him is by meditating on his life as it is described in the four Gospels

Thus in this wonderful meditation book perfect for Lent or any time of the year the great spiritual writer and monk gives profound short reflections on Gospel passages about the passion and death of Christ Each chapter focusing on a specific aspect of the Passion of Our Lord gives a prayer a meditation and spiritual advice and closes with another short prayer Very much in the same style as his *The Imitation of Christ* this book covers the entire Passion and makes great spiritual reading for anyone Illustrated **The Passion of Jesus** Mark Moore, Jon Weece, 2002-08 [The Passion and Death of Our Lord Jesus Christ](#) Alban Goodier, Rev Alban Goodier SJ, Brother Hermenegild, 2013-04-20 The details of the Passion the material surroundings and circumstances are accepted from others though tested most of them on the spot in regard to those details the author would only say that it is strange how great at times is the divergence of opinion amongst scholars even on matters about which it would seem at first sight that agreement should be easily reached It would almost appear that once we depart from or attempt to add to the story of the Passion as it is told by the Evangelists we are liable to say what is open to question Though for instance we may know the main streets in the Jerusalem of that time yet the actual sites of the palaces of Annas of Caiphas of Herod and of late even of Pilate are by no means agreed upon while the scourging the crowning the crucifixion have been given different descriptions founded all on some substantial evidence Frankly therefore the author has taken all these studies as secondary He has used them as he has needed them for the Passion cannot be described without them but for the first source of his information he has relied on the four Gospels themselves As in the study of the Public Life so here he has tried to keep his attention fixed on Jesus Christ Our Lord for whose sake alone the story of the Passion is worth telling refusing so far as he has been able to be turned aside by any controversial question or discussion whatsoever He has asked himself How does the Passion reveal Christ to us What manner of Man does He show Himself during that ordeal What were His thoughts and feelings What was His soul And hence knowing that He is yesterday and to day and the same for ever what is the meaning of Jesus crucified to me here and now We derive far more light for our purpose from the saints and from those who have written in the spirit of the saints such as S Augustine Ludolph of Saxony Fra Thomas of Jesus and in another sense S Catherine of Siena Love real and objective and the insight and interpretation that come of love are the only key to the Passion certainly far more than learning for love alone opens our eyes that we may know Him who endured it and why whatever we may know or not know about Him The method therefore of this study has been to follow the Evangelists as closely as possible reading between the lines of their narrative the harmony used has been that of Tischendorf with but a few minor variations The streets of Jerusalem were very narrow indeed some of them scarcely admitting men to walk six abreast when a camel lurched down them with his load on his back there was little room for anyone else Though undoubtedly a crowd followed the Passion which grew in numbers as the day went on yet no less certainly there were other crowds which stood aloof There was at least one crowd of sympathisers which S Luke equally describes as a great multitude of people that followed Him there were many more who looked on from their doors and windows or squatting on their shop counters with

that indifference which only the East can show If the procession from the Pretorium to Calvary as seems not unlikely passed through the bazaar of the city probably business went on as usual for crowds such as these were nothing very strange and the day the eve of the great Feast was an exceptionally busy day in Jerusalem We are tempted to compare the suddenness of the Passion and the success of its leaders to one of those sinister coups d etat which have captured nations and of which we have had examples in plenty in our own time All this we may assume and lay aside our main object is to study Him round whom the story is gathered that if we can we may know Him the better whatever may be our other mistakes and shortcomings

**Passion of Christ, Passion of the World** Leonardo Boff,1987 The Passion and Death of Our Lord Jesus Christ Alban Goodier,2017-03-31 Archbishop Alban Goodier S J fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history culture and his own deep spiritual insights He brings to life and unifies the many observations emotions and subtle and not so subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment The author s unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years He draws from the obvious as well as the obscure and finds supernatural meaning in the most mundane actions that surround the suffering Christ In the hands of this writer the Lord s few words accompanied by the author s commentary challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles The author was born in 1869 in Lancashire northern England and educated at the prominent Catholic college Stonyhurst which has been the source of many English Catholic politicians intellectuals and business people After a degree from the University of London he was ordained a Jesuit in 1903 He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939

*THE HOURS OF THE PASSION OF OUR LORD JESUS CHRIST* LUISA

PICCARRETA,2023-02-28 In 1914 Luisa writes in a letter to the now Saint Annibale M di Francia I am finally sending you this handwritten copy of The Hours of the Passion of Our Lord Jesus Christ May it all be for His greater Glory I have also enclosed a few pages where I describe the effects and the beautiful promises that Jesus makes to everyone who meditates these Hours of the Passion I believe that if whoever meditates on them is a sinner he will convert if he is imperfect he will become perfect if he is holy he will become holier if he is tempted he will find victory if suffering he will find strength medicine and comfort in these Hours if weak and poor he will find a spiritual food and a mirror in which to look at himself continually and so become beautiful and similar to Jesus our model Passion of Christ, Passion of the World Leonardo Boff,1993 *The American Catalogue* ,1908 American national trade bibliography *Reflections on the Passion of Our Lord Jesus Christ. Compiled and Translated from the French. By a Religious of Loretto Convent, Navan* ,1872 The Passion of the Servant Don N. Howell Jr.,2009-01-26 The New Testament opens with four Gospel accounts that introduce the reader to Jesus Christ From the very beginning the redemptive drama moves toward the cross The final week of Jesus s life Passion Week takes up nearly 40 percent of the entire narrative The canonical Gospels provide four different perspectives on the life of Jesus He is portrayed in this fourfold account as King and covenant keeper Matthew as obedient Son servant Mark as the perfect Man among men Luke and as the eternal Son of God John the only person ever born whose central purpose in living is to die The Gospels are Passion narratives with extended introductions This is the governing principle of the present work as Jesus moves toward the culmination of his saving mission From early adumbrations to deepening shadows to direct predictions and finally to the detailed narratives of Passion Week the Gospels follow the Lord s inexorable journey to the cross This synthetic study which follows the life of Jesus in a chronological sequence while attempting to preserve the unique contribution of each of the four Gospel accounts draws upon the long established tradition of harmonies of the Gospels dating back to Tatian s Diatessaron AD 170 The ordering of the data follows with minor rearrangements The NIV Harmony of the Gospels edited by Robert L Thomas and Stanley N Gundry In The Passion of the Servant eighteen chapters with thirteen maps trace the geographical context of Jesus s ministry Biblical quotations are taken from the English Standard Version ESV except where otherwise noted The chronology adopted in this work one that assumes a spring AD 30 date for the crucifixion is appended along with a brief bibliography of works that have been particularly helpful to the author The front cover is a portrait of the risen Lord instructing the two disciples near Emmaus that the events surrounding his death and resurrection fulfilled the sacred prophecies of the Old Testament Luke 24 25 27 A Passion for the Living Christ William Strome Yanney,2007-10-02 The Gospel of John play scripted so that a reader may visualize the episodes as a drama indeed as the greatest non fiction play ever written *The Passion and Exaltation of Jesus* Billy F. Baumann,2004 Georgia Jensen and friend Ellie Forsythe find themselves embroiled in another suspicious death when Georgia against her better judgment agrees to speak at a symposium for historians The most Georgia expected was publicity for her one woman retiree s business Historical Research

By George not a dead body But that s exactly what Ellie finds shortly after she joins Georgia on the final day of the symposium Hoping the death of one of the speakers would put an end to what Georgia termed two of the worst days of her life their hopes were dashed when the final day wasn t cancelled and the police ask that everyone involved stay on campus until they complete their investigation Unhappy with having their vacation plans disrupted Georgia and Ellie set out to help the police uncover the real motive for the rising young historian s murder by following the victim s research trail through the 1920s Wading through old newspaper microfilm books and old city directories they begin to realize that those efforts may not be enough to lead them to a cold and calculating murderer The reason may lie in the past of one of others involved in the gathering of illustrious academicians some of whom aren t exactly what they seem to be and something much more difficult to research The deeper they dig the more muddled the situation becomes And their efforts may lead to naught Unbeknownst to them a killer is watching and waiting prepared to put an end to their meddling if need be As they move closer to the truth the killer might just manage to do away with the problem of Georgia and her research especially if Ellie doesn t find Georgia s note in time
