The Power of Passion Brian M. Gazzard, 2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Truebloods statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his

Passion Power and Peace Gerald E. Collins, 2021-05-10 Spiritual psychology teaches that each lives in a world of individual and collective ideas that create the conditions of life These conditions are a composite of these thoughts and beliefs The main character of this story has beliefs that cause her to create what some might call magic In her view her fantasies that take form are simply a result of her faith

and conviction In this tale two military powers bring their interest in conquest to an area around a small village This village has no military but is prosperous peaceful and happy The woman who leads the village is often referred to as a sorceress a priestess or a queen She has no such ideas about herself Her legend started when after a mystical miracle she was appointed as head of her village council This woman of peace named Kaori has been trained since childhood to believe in another world This other world allows Kaori to perform the miraculous and lead her people including her husband who could be labeled a murderer through a difficult period in their village Critical to a reader's understanding of the story is not to label Kaori as a superhero Her personal work is emphasized in the story to illustrate that anyone can gain these capabilities Other members of the Hayshua Village demonstrate unusual abilities as well Also of note is the graciousness of the miraculous in the writing No one commands a miracle They just happen because of the devotion and availability of the character Readers may also find unbelievable how Hayshua deals with calamity such as a murder in the village As the story unfolds these incidents later make sense Could a larger society really work this way Is vengeance purposeful Four romances advance amid the chaos Often there is not only struggle but also advancement nevertheless Animals plants and even nature herself become part of the seemingly complex web of this story The boundless nature of both individuals and relationships come forth and advance affected by the simple and seemingly meek This writing contains a little romance a little violence a few miracles and plenty of passion And just when things seem to have slowed down an old question is answered with pain and promise Now Kaori must carefully deal with this matter This magical story of conquest and peace amid chaos is also a love story something that teaches entertains and frightens and something to be enjoyed Does love do all this **Passion and Power** John

Simmons, 2014-06-03 The prominent and wealthy socialite Gerri Fitzgerald has reached the very pinnacle in the social world of New York City. In 1909, using each of her husbands as steppingstones, she secured what she had always considered her destiny: power and wealth. As she prepares for her fourth marriage, her eldest daughter gets another chance to rekindle an old relationship; her youngest son returns from the dead; her youngest daughter comes to the realization that she controls her own future; and her eldest son finally ascertains his own mettle. Being a very obsessive and psychotic individual, Gerri believes that the wealthy are impervious to the law, but because of her Pride, Power, and Passion, she does not believe that her own children could ever defy her. *Power, Passion, & Prayer* Charles G. Power, Passion, and Faith Sharon M. Wyman, 2022-03-01 It is the morning of July 1, 1938, and New York City is just beginning to stir. For Emmy Evald, it is a day of reckoning. Born the daughter of a pioneer preacher in 1857 in Geneva, Illinois, Emmy Evald grew up in the poor section of Chicago known as Swede Town. Despite her humble beginnings, she became one of the most influential and remarkable Swedish American women of her day. Emmy began challenging the male-dominated church and social mores early on. Clear in her vision, she established the Lutheran Woman's Missionary Society in 1892, raising more than 3 million which provided health care and education to women worldwide. A distinguished orator, Emmy led the charge on behalf of women's suffrage and marched with Susan B. Anthony to the US Congress in 1902. Her actions met with both victory and defeat. Some women felt a woman's place was in the home and resented her. Men tried to silence her spirit. But she was a force to be reckoned with, one who never gave up on the fight for women's rights and social justice.

Vannette Hill,2022-04-19 The world as we know it has drastically changed since mid March 2020 when the coronavirus was declared a public health emergency and was spreading around the world Like so many schools businesses and sports associations millions of churches and houses of worship were temporarily closed to prevent the spread of the virus What was the church to do They were used to gathering in person with faces and feet however with the present climate and to protect human life the church moved to a virtual setting The well respected leadership of this church took the seriousness of the pandemic from the very beginning and as of March 17 they were forced to close and shut the doors The church doors may be closed but the church is still open stated the pastor as he started the Glad Tidings International Church of God in Christ Zoom prayer line As online attendance grew by leaps and bounds the saints began calling it a lifeline because of the lives that were being sustained during the pandemic in prayer Power Passion and Prayers during the Pandemic reveals what a local church did to survive the first year of this global crisis The auspicious leaders Bishop J W Macklin and Lady Vanessa Macklin declared confidently that we still believe God which became the theme of GTI as everyone endeavored to cope with the uncertainty and anxiety of the pandemic Praying daily gave us the strength we needed to trust that God is with us at every moment and is beside us every step of the way The author was inspired to write this book based on the faithfulness commitment and testimonies of those who were fighting to replace their pain with prayer and power She witnessed God s people take the church out into the community feed the hungry love the unchurched offer health services and make disciples as the church continued to advance the Kingdom of God COVID 19 didn t stop them not at all The members of Glad Tidings International and other believers around the world experienced some gain and some losses but they kept on going The pandemic empowered them impassioned them and encouraged both the young and old to forge ahead for Christ The church may have been shut down but we will not shut up **Power and Passion in Shakespeare's Pronouns** Penelope
