Passionate Marriage David Morris Schnarch, 1997 A respectful erotic uplifting and spiritual guide to sexual and emotional fulfillment **Passionate Surrender** Sheryl Sage, 1993 The king himself has arranged the marriage and the golden haired Lady Genevieve hopes she will find the love that has so far eluded her But nothing could have prepared her for Lord Tristen Sinclair a towering raven haired knight who claims her with the fierce power of his hungry kiss only to state that he will be her husband in name only Stunned by the fiery pleasure he has ignited within her yet stung by his harsh words Genny responds with a defiance that sets Tristen reeling Never has he encountered a woman so spirited and unpredictable Never has he been so totally captivated by a temptress who both enrages and arouses him As their wills clash their destiny is written in the treachery that surrounds them and in the overwhelming desire that consumes them in love's most passionate surrender Page 4 of cover *The Fabric of a Passionate Parent* Tonya Bennett, 2007-10 It is imperative that parents learn how to provide the fabric of teaching that leaves a legacy of reaching for more of God Parents must recognize the python of busyness that coils around families destroying the fabric of impressionable memories and impassioned teachings Tonya offers sixteen matchless lessons designed to promote spiritual growth coupled with practical applications including family activities songs Bible readings and memory verses As you read *The Fabric of a Passionate Parent* you will refresh your faith and renew your zeal for parenting God's way Passionate Nomad Jane Fletcher Geniesse, 2010-07-21 A New York Times Notable Book Finalist for the PEN Martha Albrand Award for First Nonfiction Highly readable biography The woman who emerges from these pages is a complex figure heroic driven and entirely human Richard Bernstein The New York Times *Passionate Nomad* captures the momentous life and times of Freya Stark with precision compassion and marvelous detail Hailed by The Times of London as the last of the Romantic Travellers upon her death in 1993 Freya Stark combined unflappable bravery formidable charm fearsome intellect and ferocious ambition to become the twentieth century's best known woman traveler Digging beneath the mythology Geniesse uncovers a complex controversial and quixotic woman whose indomitable spirit was forged by contradictions a child of privilege Stark grew up in near poverty yearning for formal education she was largely self taught longing for love she consistently focused on the wrong men Despite these hardships Stark's astonishing career spanned more than sixty years during which she produced twenty two books that sealed her reputation as a consummate

woman of letters This edition includes a new Epilogue by the author that citing newly discovered evidence calls into question the circumstances of Stark's birth and adds new insight into this adventurous and lively personality Praise for *Passionate Nomad* *Passionate Nomad* is a work of nonfiction that reads and sings with the drama and lilt of a fine novel The story of Freya Stark is stunning inspiring sad funny unique and moving Jane Fletcher Geniesse tells it straight but with a care for delicious detail and a sympathy for the characters that make this a truly special book Jim Lehrer *Passionate Nomad* supplies a fascinating individual thread in the tapestry of twentieth-century Middle Eastern history Geniesse has achieved in the end an admirable focus at once critical and sympathetic For all Stark's unresolved contradictions her distinction as a latter-day woman of letters survives The New York Times Book Review Compulsively readable Geniesse has done a thorough job re-creating the life of a woman many consider to be the last of the great romantic travelers The Plain Dealer Cleveland

Passionate Spirituality Elizabeth Dreyer, 2005 *Passionate Spirituality* explores the roots and meanings of passion in Western culture and then examines how passion is expressed in the works of two medieval women mystics Hildegard of Bingen and Hadewijch of Brabant and in the lives of contemporary Christians seeking to deepen their own spiritual journeys Too often the term passion is associated only with steamy films sexual sin and emotional excess cutting off the breadth of its meaning and expression for positive good But the great mystics succeed precisely because they hold together both the affective and the intellectual aspects of the spiritual life in creative and convincing ways Their accounts of their mystical experience are important resources for information and understanding about how to talk about God more formally and for what it means to be passionately in love with God and the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Life Wide Open** David Jeremiah, **The Billionaire's Lost Love** Arnold Washington, 2025-02-20 This book is dedicated to every woman who has ever dared to love fiercely to forgive bravely and to chase her dreams relentlessly even when the path is fraught with uncertainty and the heart has been bruised To those who have known the sting of heartbreak and the courage to rise from the ashes stronger and wiser than before This story is for you It is a testament to the enduring power of the human spirit a celebration of second chances and an affirmation that even amidst the chaos of life and the complexities of love there is always hope for a brighter tomorrow It's a reminder that true love can bloom even in the most unexpected places and that the greatest adventures often begin when we least expect them To the women who have weathered storms fought battles and emerged victorious this one's for you May the pages that follow transport you to a world where passion ignites amidst towering skyscrapers and ancient Tuscan hills where love conquers all and where happily ever after is not just a fairytale ending but a tangible possibility To those who believe in the unwavering strength of the female spirit and the enduring magic of love that transcends time distance and even the most formidable of obstacles this novel is a heartfelt tribute May it inspire you to embrace the uncertainty of life with open arms to forgive yourself and others and to never give up on the pursuit of your own happily ever after however elusive it may seem For those

who have experienced the bittersweet symphony of love and loss who have known both the intoxicating highs and the devastating lows this story is an ode to the resilience of the human heart its capacity for both profound sorrow and overwhelming joy It is an exploration of the delicate balance between ambition and affection of the complicated dance between career aspirations and romantic desires of the delicate art of forging a path forward even when the past casts its long shadow To the dreamers the romantics the fighters and the survivors may this tale resonate within your soul and remind you of the boundless potential that resides within each and every one of you May it inspire you to chase your own dreams with unyielding determination and to embrace the transformative power of love in all its forms This is a story of hope resilience and the unwavering belief in the transformative power of second chances [The Point Alma Venus Manuscripts](#) Robinson Jeffers,2022-01-18 The years 1921 to 1927 were the most productive of Robinson Jeffers s career During this period he wrote not only many of his most well known lyric poems but also Tamar The Tower Beyond Tragedy Roan Stallion and The Women at Point Sur the long poems that first established his reputation as a major American poet Including an introduction chronology and critical afterword the Point Alma Venus manuscripts presented here gather Jeffers s four unfinished but substantial preliminary attempts at what became The Women at Point Sur which Jeffers believed was the most inclusive and poetically the most intense of his narrative poems The Point Alma Venus fragments and versions shed important light on the composition and themes of The Women at Point Sur Further they likely predate other key work from this crucial period making them a necessary context for those who wish to clarify Jeffers s poetic development and to reinterpret his practice of narrative poetry Ultimately they call on general and scholarly readers alike to reconsider Jeffers s place in the canon of modern American poetry **The Collected Novels and Stories of Guy de Maupassant** Guy de Maupassant,1924

[Antiquity and Social Reform](#) Dawn Hutchinson,2010-06-09 Although religious innovation in America has historically been the norm rather than the exception mainstream Americans have often viewed new religious movements with suspicion and occasionally with outright alarm The question motivating many studies of new religious movements has been why would someone join these religions In Antiquity and Social Reform Dawn Hutchinson offers at least one answer to this often repeated query She argues that followers of new religious movements in the 1960s 1980s specifically the Unification Church Feminist Wicca and the Nation of Yahweh considered these religions to be legitimate because they offered members a personal religious experience a connection to an ancient tradition and agency in improving their world Utilizing an historical approach Antiquity and Social Reform considers the conversion narratives of adherents and primary literature of the formative years of these movements which demonstrates that the religious experiences of the adherents and a resonance with the goals of these religions propelled members into social action [Elinor Glyn as Novelist, Moviemaker, Glamour Icon and Businesswoman](#) Vincent L. Barnett,Alexis Weedon,2016-04-29 The first full length study of the authorial and cross media practices of the English novelist Elinor Glyn 1864 1943 Elinor Glyn as Novelist Moviemaker Glamour Icon and

Businesswoman examines Glyn's work as a novelist in the United Kingdom followed by her success in Hollywood where she adapted her popular romantic novels into films Making extensive use of newly available archival materials Vincent L Barnett and Alexis Weedon explore Glyn's experiences from multiple perspectives including the artistic legal and financial aspects of the adaptation process At the same time they document Glyn's personal and professional relationships with a number of prominent individuals in the Hollywood studio system including Louis B Mayer and Irving Thalberg The authors contextualize Glyn's involvement in scenario writing in relationship to other novelists in Hollywood such as Edgar Wallace and Arnold Bennett and also show how Glyn worked across Europe and America to transform her stories into other forms of media such as plays and movies Providing a new perspective from which to understand the historical development of both British and American media industries in the first half of the twentieth century this book will appeal to historians working in the fields of cultural and film studies publishing and business history

Integrative Psychology William M & King Marston, 2020-03-26 First Published in 1999 This text is the author's attempt to organise the field of psychology for students This volume makes a critical examination of various psychological and semi-psychological attempts to classify fundamental human activities and thereafter attempts to postulate elementary behaviour units which may serve psychology precisely as the atom and electron have served in chemistry

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award-winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart-centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co-create a new world Unlike many spiritual books *Radical Passion* does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future

The Box of Spikenard Lady Ethel Mary Young Boileau, Ethel Boileau, 1923 *Linguistic Turns, 1890-1950* Ken Hirschkop, 2019-04-04 *Linguistic Turns* rewrites the intellectual and cultural history of early twentieth-century Europe In chapters that study the work of Saussure Russell Wittgenstein Bakhtin Benjamin Cassirer Shklovskii the Russian Futurists Ogden and Richards Sorel Gramsci and others it shows how European intellectuals came to invest

language with extraordinary force at a time when the social and political order of the continent was itself in question By examining linguistic turns in concert rather than in isolation the volume changes the way we see them no longer simply as moves in individual disciplines but as elements of a larger constellation held together by common concerns and anxieties In a series of detailed readings the volume reveals how each linguistic turn invested language as such with powers that could redeem not just individual disciplines but Europe itself It shows how in the hands of different writers language becomes a model of social and political order a tool guaranteeing analytical precision a vehicle of dynamic change a storehouse of mythical collective energy a template for civil society and an image of justice itself By detailing the force linguistic turns attribute to language and the way in which they contrast language as such with actual language the volume dissects the investments made in words and sentences and the visions behind them The constellation of linguistic turns is explored as an intellectual event in its own right and as the pursuit of social theory by other means
