Alonso,1998 This book offers a provocative interpretation of cultural discourse in Spanish America Alonso argues that Spanish American cultural production constituted itself through commitment to what he calls the narrative of futurity that is the uncompromising adoption of modernity This commitment fueled a rhetorical crisis that followed the embracing of discourses regarded as modern in historical and economic circumstance that are themselves the negation of modernity Through fresh readings of texts by Sarmiento Mansilla Quiroga Vargas Llosa Garcia Marquez and others Alonso tracks this textual dynamic in works from the nineteenth century to the present **Directions in Sexual Harassment Law** Catharine

A. MacKinnon,Reva B. Siegel,2008-10-01 div When it was published twenty five years ago Catharine MacKinnon s pathbreaking work Sexual Harassment of Working Women had a major impact on the development of sexual harassment law The U S Supreme Court accepted her theory of sexual harassment in 1986 Here MacKinnon collaborates with eminent authorities to appraise what has been accomplished in the field and what still needs to be done An introductory essay by Reva Siegel considers how sexual harassment came to be regulated as sex discrimination Contributors discuss how law can best address sexual harassment the importance and definition of consent and unwelcomeness issues of same sex harassment questions of institutional responsibility for sexual harassment in both employment and education settings considerations of freedom of speech effects of sexual harassment doctrine on gender and racial justice and transnational approaches to the problem An afterword by MacKinnon assesses the changes wrought by sexual harassment law in the past quarter century DIV **The Evolving Citizen** Jay P. Childers,2012 Examines through an analysis of seven high school newspapers the evolution of civic and political participation among young people in the United States since 1965 Provided by publisher

Postcolonial Commentary and the Old Testament Hemchand Gossai,2018-11-01 This is the first volume to provide a wide range of postcolonial interpretations of and commentaries upon significant texts in the Hebrew Bible The volume intersects with the work of the key theorists in postcolonial studies such as Fanon Senghor Said and Spivak as well as with scholars such as Sugirtharajah Kwok Pui lan and Segovia who have applied this theory to biblical studies Texts have been chosen specifically for their relevance to postcolonial discourse rather than seeking to cover each biblical document This volume is designed to demonstrate how historical criticism postmodernism and the important concerns of postcolonial readings may be integrated to obtain an informed explanation of the Hebrew Bible and the writings of early Judaism The chapters are written by scholars who represent a spectrum of national indigenous and diasporic contexts Taken together these perspectives and the interpretations they yield represent a continued expansion of the manner in which Old Testament

texts are read and interpreted through postcolonial lenses reminding readers that the interpretive trajectories of these texts are almost inexhaustible As such the volume serves as not only an addition to ongoing scholarship on postcolonialism but also as an expansion of the horizon for dialogue

The Political Anthropology of Ethnic and Religious Minorities Arpad Szakolczai, Agnes Horvath, Attila Z. Papp, 2018-12-07 This book presents some arguments for why a political anthropological perspective can be particularly helpful for understanding the connected political and cultural challenges and opportunities posed by the situation of ethnic and religious minorities The first chapter shortly introduces the major anthropological concepts used including liminality trickster imitation and schismogenesis concepts that are used together with approaches of historical sociology and genealogy especially concerning the rise and fall of empires and their lasting impact The conceptual framework suggested here is particularly helpful for understanding how marginal places can become liminal appearing suddenly at the center of political attention The introduction also shows the manner in which minority existence can problematize the depersonalizing tendencies of modern globalization Subsequent chapters demonstrate how the described political anthropological conceptual framework can be used in certain European regions and in the case of certain ethnic and religious minority and each illustrates that instead of charismatic leaders trickster politicians are emerging and increasingly dominate through the public sphere the space of modern politics emptied of real presence The chapters in this book were originally published as a special issue of *Nationalism and Ethnic Politics*

I Wish I'd Made You Angry Earlier Max F. Perutz, 2002 This collection of essays from Nobel Laureate Max Perutz explores a wide range of scientific and personal topics with insight and lucidity It includes lively anecdotes about key figures in 20th century science

Defining and Defying Borders Vanessa Marie Fernández, 2024-01-31 Tracing heated exchanges between Spanish and Latin American intellectuals that took place in journals magazines and newspapers in the early twentieth century *Defining and Defying Borders* details how borders and

boundaries were contested within a medium that simultaneously crossed borders and defined boundaries Vanessa Marie Fernandez demonstrates that print media is an invaluable resource for scholars because it offers a nuanced perspective of the complex postcolonial relationship between Spain and Latin America that shaped aesthetic production within and beyond national boundaries Presenting inclusive paradigms that are at once able to transcend borders acknowledge national boundaries and account for empire Defining and Defying Borders illustrates that investigating journals magazines and newspapers is crucial to better understanding postcolonial literary and cultural production

The Top Books of the Year Passionate Enterprise The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Passionate Enterprise : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Passionate Enterprise : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Passionate Enterprise : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
