Passionate Man:

Man's Unconscious Passion Wilfrid Lay, 2013-07-04 First published in 1999 This is Volume XIX of thirty eight in the General Psychology series Written in 1921 Man's unconscious passion looks at the factors that influence us or make an impression and how the situation for the unconscious is always much more extensive than it is for consciousness **A Black Man's Inner Thoughts** Kim Prout, 2014-12-19 Poetry is my way to talk sing or yell Its my way of being that other Kim that isn't being seen on a norm Poetry is the other me I want my reader to understand this is the third edit and all of my poems are real **The Ethics of Ambiguity** Simone de Beauvoir, 2018-05-08 From the groundbreaking author of *The Second Sex* comes a radical argument for ethical responsibility and freedom In this classic introduction to existentialist thought French philosopher Simone de Beauvoir's *The Ethics of Ambiguity* simultaneously pays homage to and grapples with her French contemporaries philosophers Jean Paul Sartre and Maurice Merleau Ponty by arguing that the freedoms in existentialism carry with them certain ethical responsibilities De Beauvoir outlines a series of ways of being the adventurer the passionate person the lover the artist and the intellectual each of which overcomes the former's deficiencies and therefore can live up to the responsibilities of freedom Ultimately de Beauvoir argues that in order to achieve true freedom one must battle against the choices and activities of those who suppress it *The Ethics of Ambiguity* is the book that launched Simone de Beauvoir's feminist and existential philosophy It remains a concise yet thorough examination of existence and what it means to be human **The Masks of Hamlet** Marvin Rosenberg, 1992 Every reader is an actor according to Rosenberg To prepare the actor reader for insights Rosenberg draws on major interpretations of the play worldwide in theatre and in criticism wherever possible from the first known performances to the present day The book is rich and provocative on every question about the play **Sermons** David Loxton, 1876 **Tragic Sense of Life** Miguel Unamuno, 2023-09-03 *Tragic Sense of Life* in Spanish *Del sentimiento trágico de la vida* is a philosophical work written by Miguel de Unamuno a prominent Spanish philosopher writer and existentialist of the late 19th and early 20th centuries The book delves into themes of existentialism faith and the human condition In *Tragic Sense of Life* Miguel de Unamuno grapples with the fundamental questions of human existence and the meaning of life He explores the complex and often paradoxical relationship between reason and faith intellect and emotion and the struggle to find meaning in a seemingly indifferent or hostile universe Unamuno argues that humans have an inherent desire for immortality and an eternal truth yet the uncertainty of life the inevitability of death and the limits of human understanding create a sense of existential anguish and tragedy He delves into the inner conflicts and anxieties that arise from this confrontation between the desire for certainty and the awareness of our mortal nature The author critiques the rationalism and scientific positivism of his time asserting that reason alone cannot provide ultimate answers or fulfill the deeper yearnings of the human soul He advocates for an embrace of the irrational the passionate and the unknown as crucial elements of the human experience Throughout the book Unamuno weaves in his personal struggles and experiences infusing

the philosophical exploration with a sense of authenticity and introspection He invites readers to confront their own existential uncertainties and grapple with the enigma of human existence
