The Psychology of Passion Dr Robert J. Vallerand, 2015-05-01 Winner of the 2017 APA William James Book Award The concept of passion is one we regularly use to describe our interests and yet there is no broad theory that can explain the development and consequences of passion for activities across people s lives In The Psychology of Passion Robert J Vallerand presents the first such theory providing a complete presentation of the Dualistic Model of Passion and the empirical evidence that supports it Vallerand conceives of two types of passion harmonious passion which remains under the person s control and obsessive passion which controls the person While the first typically leads to adaptive behaviors the obsessive form of passion leads to less adaptive and at times maladaptive behaviors Vallerand highlights the effects of these two types of passion on a number of psychological phenomena such as cognition emotions performance relationships aggression and violence He also discusses the development of passion and reviews a range of literature on passion for activities

The Power of Passion Brian M. Gazzard, 2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Truebloods statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire

is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his *Thrival from Ordinary to Extraordinary* Mark Mandela,2011-04-23 Do you dream of leaving your 9 to 5 job and never returning Do you desire to travel the country and make new friends Is freedom of time mobility and money important to you If you answered yes to any of those questions Thrival from Ordinary to Extraordinary is a must read Using personal experience Mandela elucidates how to achieve those dreams and desires You will learn to Realize your possibilities Build a team Develop lasting relationships Identify key people to develop into leaders Inspire others Become extraordinary If surviving is your goal this book is not for you If you desire to reach the next level to go from being ordinary to extraordinary this book is teeming with clues that enable you to reach the next level and beyond Your potential is greater than surviving it is time to thrive Learn step by step how to go from ordinary to extraordinary it is your time to excel **The Success Formula: Aligning Passion, Purpose, and Persistence** Logan Tremblay,2025-02-01 The Success Formula reveals the key ingredients for lasting success passion purpose and persistence This book teaches you how to align these three powerful forces to create a path toward fulfillment and achievement Through practical strategies and insights you ll learn how to discover your true passion stay focused on your purpose and persist through challenges until you reach your goals Whether you re just starting your journey or looking to reignite your motivation The Success Formula provides the roadmap to align your efforts with your values and achieve your personal and professional goals **Passionate Persistence** Ronald A.
