# Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments

**Daniel W. Conway, K. E. Gover**

## **Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments:**

*Passionate Reason* C. Stephen Evans, 1992-01-01 *Passionate Reason* situates Kierkegaard's philosophy in the context of postmodern religious thought providing a contemporary reading of *Fragments* as a challenge to both the modern Enlightenment critique of reason and the postmodern abandonment of truth

**Passionate Reason** C. Stephen Evans, 1992-11-22 Johannes Climacus Søren Kierkegaard's pseudonymous author of *Philosophical Fragments* invents a religion suspiciously resembling Christianity as an alternative to the assumption that humans possess the Truth within themselves Through this literary device Climacus raises in a fresh and audacious way age old questions about the relation of Christian faith to human reason Is the idea of a human incarnation of God logically coherent Is religious faith the product of a voluntary choice In a comprehensive discussion of one of Kierkegaard's most important books C Stephen Evans elucidates Kierkegaard's novel explanation that the tension between faith and reason must be understood as a consequence of the passionate character of reason itself *Passionate Reason* situates Kierkegaard's philosophy in the context of postmodern religious thought providing a contemporary reading of *Fragments* as a challenge to both the modern Enlightenment critique of reason and the postmodern abandonment of truth

**The Paradoxical Rationality of Søren Kierkegaard** Richard McCombs, 2013-03-04 Richard McCombs presents Søren Kierkegaard as an author who deliberately pretended to be irrational in many of his pseudonymous writings in order to provoke his readers to discover the hidden and paradoxical rationality of faith Focusing on pseudonymous works by Johannes Climacus McCombs interprets Kierkegaardian rationality as a striving to become a self consistently unified in all its dimensions thinking feeling willing acting and communicating McCombs argues that Kierkegaard's strategy of feigning irrationality is sometimes brilliantly instructive but also partly misguided This fresh reading of Kierkegaard addresses an essential problem in the philosophy of religion the relation between faith and reason

*Encountering Jesus, Encountering Scripture* David Crump, 2013-05-26 Personal experiential faith is seldom given a seat at the table of academic theology and biblical studies David Crump however with the assistance of Søren Kierkegaard's religious philosophy claims that authentic understanding and thus authentic Christian commitment can only arise from the personal commitment that is faith Examining the various biblical historical cultural theological and academic hurdles demanding a truly Kierkegaardian leap of faith before one can meet the resurrected Jesus Crump's *Encountering Jesus Encountering Scripture* provides a very insightful discussion of key New Testament texts and issues revealing how Truth is discovered only through the subjectivity of faith

[Kierkegaard's Socratic Art](#) Benjamin Daise, 1999 And to a new awareness of Kierkegaard's skillful and ethical use of indirect communication much like a good midwife and very much in the way of the Socratic maieutic art

**BOOK JACKET The Hidden Authorship of Søren Kierkegaard** Jacob Sawyer, 2015-09-18 In this book Jacob H Sawyer explores the concept of hiddenness as a means to unlock the intriguing and oft misunderstood authorship of Søren Kierkegaard By understanding the melancholy man as first and foremost a Christian thinker this work

gives special attention to how the form of Kierkegaard's authorial task complements its content giving particular attention to his use of pseudonyms The first part of the book addresses the explicit content of the authorship the second addresses the implicit form in which it was communicated to Kierkegaard's reader and the third addresses how these can help us understand Kierkegaard's own hidden inwardness Through this investigation Søren Kierkegaard is recognized as an example par excellence of a communicator He is seen to have attempted to only speak what his own life could uphold striving to be one who was in Christ the truth

**Kierkegaard's 'Concluding Unscientific Postscript'** Rick Anthony Furtak, 2010-07-29

Søren Kierkegaard's *Concluding Unscientific Postscript* has provoked a lively variety of divergent interpretations for a century and a half It has been both celebrated and condemned as the chief inspiration for twentieth century existential thought as a subversive parody of philosophical argument as a critique of mass society as a forerunner of phenomenology and of postmodern relativism and as an appeal for a renewal of religious commitment These 2010 essays written by international Kierkegaard scholars offer a plurality of critical approaches to this fundamental text of existential philosophy They cover hotly debated topics such as the tension between the Socratic philosophical and the Christian religious the identity and personality of Kierkegaard's pseudonym Johannes Climacus his conceptions of paradoxical faith and of passionate understanding his relation to his contemporaries and to some of his more distant predecessors and last but not least his pertinence to our present day concerns

Kierkegaard and the Greek World: Aristotle and other Greek authors Jon Bartley Stewart, Katalin Nun, 2010 Tome II features articles dedicated to the Kierkegaard's Greek sources aside from Socrates beginning with a section containing several articles on different aspects of Aristotle's writings that influenced his thought This is followed by another section featuring analyses of other Greek philosophers and philosophical schools which were important for him Finally a third section explores Kierkegaard's uses of a handful of Greek poets dramatists and historians

**Søren Kierkegaard** Daniel W. Conway, K. E. Gover, 2002

A Dictionary of Philosophy of Religion, Second Edition Charles Taliaferro, Elsa J. Marty, 2018-01-25 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world religions and sources from east and west Entries have been crafted for clarity succinctness and engagement This second edition includes new entries extended coverage of non-Christian topics as well as revisions and updates throughout The first edition was named a Choice Outstanding Academic Title of the Year

Volume 18, Tome III: Kierkegaard Secondary Literature Jon Stewart, 2017-03-16

In recent years interest in the thought of Kierkegaard has grown dramatically and with it the body of secondary literature has expanded so quickly that it has become impossible for even the most conscientious scholar to keep pace The problem of the explosion of secondary literature is made more acute by the fact that much of what is written about Kierkegaard appears in languages that most Kierkegaard scholars do not know Kierkegaard has become a global phenomenon and new research

traditions have emerged in different languages countries and regions The present volume is dedicated to trying to help to resolve these two problems in Kierkegaard studies Its purpose is first to provide book reviews of some of the leading monographic studies in the Kierkegaard secondary literature so as to assist the community of scholars to become familiar with the works that they have not read for themselves The aim is thus to offer students and scholars of Kierkegaard a comprehensive survey of works that have played a more or less significant role in the research Second the present volume also tries to make accessible many works in the Kierkegaard secondary literature that are written in different languages and thus to give a glimpse into various and lesser known research traditions The six tomes of the present volume present reviews of works written in Catalan Chinese Czech Danish Dutch English Finnish French Galician German Greek Hebrew Hungarian Italian Japanese Norwegian Polish Portuguese Romanian Russian Slovak Spanish and Swedish

**The Historical Christ and the Jesus of Faith** C. Stephen Evans, 1996-04-18 The story of Jesus of Nazareth as recounted in the New Testament has always been understood by the church to be historically true It is an account of the life death and resurrection of a real person whose links with history are firmly signalled in the creeds of the early church which affirm that Jesus suffered under Pontius Pilate Contemporary historical scholarship has however called into question the reliability of the church's version of this story and thereby raised the question as to whether ordinary people can know its historical truth This book argues that the historicity of the story still matters and that its religious significance cannot be captured by the category of non historical myth The commonly drawn distinction between the Christ of faith and Jesus of history cannot be maintained The Christ who is the object of faith must be seen as historical the Jesus who is reconstructed by historical scholarship is always shaped by commitments of faith A reconsideration of the Enlightenment epistemologies that underlie much historical scholarship shows that historical knowledge of this story is still possible Such knowledge can be inferential based on historical evidence A careful look at contemporary New Testament studies and the philosophical and literary assumptions upon which it rests shows that this scholarship should not undermine the confidence of lay people who believe that they can know that the church's story about Jesus is true

**The Socratic Individual** Ann Ward, 2020-05-15 The author explores the recovery of Socratic philosophy in the political thought of G W F Hegel Søren Kierkegaard John Stuart Mill and Friedrich Nietzsche Ward identifies the cause of the renewed interest in Socrates in Hegel's call for the absorption of the individual within the modern liberal state and the concomitant claim that Socratic skepticism should cease because history has reached its end and perfection Recoiling from Hegel's attempt to chain the individual within the cave nineteenth century thinkers push back against his deification of the state Yet underlying Kierkegaard Mill and Nietzsche's turn to Socrates is their acceptance of Hegel's critique of the liberal conception of the rights bearing individual Like Hegel they agree that such an individual is an unworthy competitor to the state In search of a noble individual to hold up against the state and counter the belief in the end of history Kierkegaard Mill and Nietzsche bring back and transform Socrates in significant ways For Kierkegaard the

Socratic philosopher in modern times is the person of faith for Mill the public intellectual whose idiosyncratic identity arises from the freedom of speech and for Nietzsche the Dionysian artist Each model the beauty of individuality in our democratic age

**The Kierkegaardian Mind** Adam Buben, Eleanor Helms, Patrick Stokes, 2019-05-02 Søren Kierkegaard 1813-1855 remains one of the most enigmatic, captivating and elusive thinkers in the history of European thought The Kierkegaardian Mind provides a comprehensive survey of his work not only placing it in its historical context but also exploring its contemporary significance Comprising thirty-eight chapters by a team of international contributors this handbook is divided into eight parts covering the following themes: Methodology, Ethics, Aesthetics, Philosophy of Religion and Theology, Philosophy of Mind, Anthropology, Epistemology, Politics Essential reading for students and researchers in philosophy Kierkegaard's work is central to the study of political philosophy, literature, existentialist thought and theology

**A Companion to Continental Philosophy** Simon Critchley, William R. Schroeder, 1998-06-08 Covering the complete development of post-Kantian Continental philosophy this volume serves as an essential reference work for philosophers and those engaged in the many disciplines that are integrally related to Continental and European Philosophy

*Why Kierkegaard Matters* Marc Alan Jolley, 2010 Monographs on philosophers multiply daily but on occasion the question of why a particular philosopher matters If we stop thinking about them by asking why then will they cease to exist When Mercer University Press opened its doors more than thirty years ago it committed itself to religious studies in general and to several thinkers One of those was Søren Kierkegaard Now as the Press concludes a major publishing event with the completion of the International Kierkegaard Commentary it seeks to honor the only series editor it has known Robert Perkins The method of this honor is by asking Why Kierkegaard Matters The leading Kierkegaard scholars have contributed essays that range from the very personal and memoir-esque to the academic and analytical As a result this festschrift is not only a book to honor an extraordinary editor but is in its own right a major contribution to the assessment of the importance of Kierkegaard Written with the general reader in mind this collection will prove useful by both scholar and student and will lead the general reader to encounter one of the most original Christian philosophers in the history of the world

**Kierkegaard** Patrick Gardiner, 2002-02-21 Søren Kierkegaard 1813-55 one of the most original thinkers of the nineteenth century wrote widely on religious, psychological and literary themes This book shows how Kierkegaard developed his views in emphatic opposition to prevailing opinions It describes his reaction to the ethical and religious theories of Kant and Hegel and it also contrasts his position with doctrines advanced by men like Feuerbach and Marx Kierkegaard's seminal diagnosis of the human condition which emphasizes the significance of individual choice has arguably been his most striking philosophical legacy particularly for the growth of existentialism Both that and his arresting but paradoxical conception of religious belief are critically discussed and Patrick Gardiner concludes this lucid introduction by showing how Kierkegaard has influenced contemporary thought

**ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject

area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable The Freedom to Become a Christian Andrew B. Torrance,2016-02-25 The Kierkegaardian account of becoming a Christian has come to be perceived in radically egocentric terms Torrance challenges this perception by demonstrating that Kierkegaard was devoted to the idea of Christian conversion as a transformative process of becoming This process is grounded in an active relationship initiated by the eternal God who has established kinship with us in time Torrance focuses on becoming a Christian as a particular theological theme that deserves further attention how becoming a Christian or Christian transformation should be construed in relation to God s initiating and active relationship to the person Torrance s account of Kierkegaard on human transformation demonstrates in striking ways Kierkegaard s relevance to current issues in systematic theology and philosophical theology around the nature of Christian conversion particularly how conversion might be re conceptualized in strong divinely relational and transformative rather than in progressive self developmental terms This study also considers how Kierkegaard was able to negotiate his emphasis on the God relationship with his emphasis on the importance of individual reflection decision and action in the Christian life *Kierkegaard and Dostoevsky* Petr Vaškovic,2024-10-21 The book brings together the philosophy of S ren Kierkegaard with that of another prominent proto existentialist thinker Fyodor Dostoevsky Asking the question What constitutes an authentic Christian life the book explores the answer given by both authors which is that one should rid oneself of selfish inclinations and strive for a life of faith that revolves around the virtues of humility and non preferential love However as we learn from Dostoevsky and Kierkegaard becoming an authentic individual is no easy task and the book goes on to examine the obstacles that lie in the path of individual existential self development The book then examines the ways in which the various characters and pseudonymous authors who populate Dostoevsky s and Kierkegaard s books struggle in their attempts to become authentic ethical and religious individuals The examination of this struggle termed existential entrapment and defined as the inability to progress on the path of one s existential self development forms the core of the book and helps to map out the ethical religious landscape of Dostoevsky s and Kierkegaard s thought **Living Christianly** Sylvia Walsh,2010-11 The pseudonymous works Kierkegaard wrote during the period 1843 46 have been responsible for establishing his reputation as an important philosophical thinker but for Kierkegaard himself they were merely preparatory for what he saw as the primary task of his authorship to elucidate the meaning of what it is to live as a Christian and thus to show his readers how they could become truly Christian The more overtly religious and specifically Christian works Kierkegaard produced in the period 1847 51 were devoted to this task In this book Sylvia Walsh focuses on the writings of this later period and locates the key to Kierkegaard s understanding of Christianity in the inverse dialectic that is involved in living Christianly In the book s four main chapters Walsh examines in detail how this inverse dialectic operates in the complementary relationship of the negative qualifications of Christian

existence sin the possibility of offense self denial and suffering to the positive qualifications faith forgiveness new life love hope and joy and consolation It was Kierkegaard s aim she argues to bring the negative qualifications which he believed had been virtually eliminated in Christendom once again into view to provide them with conceptual clarity and to show their essential relation to and necessity in securing a correct understanding and expression of the positive qualifications of Christian existence

Immerse yourself in the artistry of words with Crafted by is expressive creation, **Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments** . This ebook, presented in a PDF format ( \*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.

### **Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and

innovation in various fields. It is worth noting that while accessing free Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments Books

**What is a Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Passionate Reason Making Sense Of Kierkegaards Philosophical Fragments PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
