Passport To West Germany:

Passport to West Germany Ann Adler, 1986 West Germany lies in the heart of Europe It shares borders with nine other countries and has close ties with many neighbors Militarization and Democracy in West Germany's Border Police, 1951-2005 David M. Livingstone, 2024 A social history of West Germany's Bundesgrenzschutz BGS Federal Border Police that complicates the telling of the country's history as a straightforward success story The 2020 murder of George Floyd by Minneapolis police officers shows that police violence is still a problem in Western democracies Floyd's murder prompted some critics to hail the German police as a model of democratic policing that should be emulated After 1945 Germany's police forces had supposedly shed the militarization and authoritarian impulses still prevalent in other nations' forces These uncritical appraisals however deserve closer analysis This book is a social history of West Germany's Bundesgrenzschutz BGS a federal border guard established in 1951 that became reunified Germany's first national police force It argues that the BGS revived authoritarian traditions of militarized policing and kept them alive long into the postwar era even though the country was supposedly consigning these problematic legacies to its past The BGS was staffed and led by Wehrmacht and SS veterans until the late 1970s and while West Germany was democratizing BGS commanders were still planning to fight wars and were teaching its officers street fighting tactics While the end outcome was positive the study contributes to the growing body of recent research that complicates the writing of the Federal Republic's history as a success story Dealing explicitly with post fascist West Germany's struggle to establish a democratic police force the book enters a conversation with studies concerned with democratization security and Germany's effort to overcome its Nazi past DAVID M LIVINGSTONE holds a PhD in History from the University of California San Diego He is retired as Chief of Police of Simi Valley California and is an adjunct professor at California Lutheran University Border Regimes in Twentieth Century Europe Péter Bencsik, 2022-08-19 This book offers a comprehensive and comparative analysis of the history of passports border surveillance border crossing and other elements of European border regimes in the 20th century Border regime is interpreted widely including inbound and outbound travels permanent and temporary movements distance and local border traffic borderland fortifications penalties for borderland offences and also restrictions of free movement even inside a given country Based on archival sources from Hungary and the Czech Republic extensive literature and more than two decades of research the author distinguishes between two basic border regimes the restrictive eastern and the permissive western systems and a transitional zone between them The historical development of these regimes is discussed in the framework of waves of globalisation and territorialisation Border Regimes in Twentieth Century Europe offers the first ever systematic comparison of European border regimes for students scholars and any readers who are interested in travel history border studies globalisation area studies and 20th century Europe including everyday history By presenting their different historical experiences the book contributes to a better understanding between old and new member states of the European Union as

Detour Berlin Ruth Baja Williams,2001-11-02 **God's Spies** Elisabeth Braw,2019-09-17 The real life cloak and dagger story of how East Germany s notorious spy agency infiltrated churches here and abroad East Germany only existed for a short forty years but in that time the country s secret police the Stasi developed a highly successful church department that using persuasion rather than threats managed to recruit an extraordinary stable of clergy spies Pastors professors seminary students and even bishops spied on colleagues other Christians and anyone else they could report about to their handlers in the Stasi Thanks to its pastor spies the Church Department official name Department XX 4 knew exactly what was happening and being planned in the country s predominantly Lutheran churches Yet ultimately it failed in its mission despite knowing virtually everything about East German Christians the Stasi couldn t prevent the church led protests that erupted in 1989 and brought down the Berlin Wall *Beyond the Horizon* Amma Darko,2024-02-01 *Beyond the Horizon* is the heart wrenching debut novel by award winning author Amma Darko telling the tale of a young Ghanaian woman tricked into a life of exploitation by her husband Mara stares in the mirror searching for the woman she used to know The sweet innocent woman that was excited to marry the man her father chose for her to start a family and live in a house of her own But her husband had other plans Determined to make his fortune in Europe Mara s husband expects her to sacrifice everything to make his dreams come true but the sacrifice is more than she could ever have imagined *Beyond the Horizon* is a gripping and provocative story of the plight of African women the lies they were sold about life in Europe and the false hopes of those they leave behind *Wehrmacht Diary* Wolfgang Cooper,2000-05-04 In the beginning I was so proud of my country and what I thought we were accomplishing Yet by 1943 I knew the Nazi government was leading Germany and the world down a path of destruction Not in my wildest dreams did I think I would someday be standing in the basement of the Fuhrer Bunker preparing to shoot Adolf Hitler Siegfried Knappe WEHRMACT DIARY is a fascinating and true story that offers a unique look at the German side of World War II and a world in ruins In WEHRMACHT DIARY writer Wolfgang Cooper and Siegfried Knappe who rose through the ranks of the General Staff College to become a highly respected major in the Wehrmacht give the reader a reflective and illuminating perspective on Knappes experiences as a German soldier who served on every major battle front in the European theater of war This unique and timely book chronicles the life of an ordinary man who found himself caught in the middle of extraordinary world events and how he survived to start a new life in America But most importantly Siegfried Knappe a long time resident of Xenia Ohio is one of the few people alive today who met Adolf Hitler face to face In fact he met the German dictator three times in six year intervals The first time was in 1933

when Knappe was an apolitical teenage shutterbug intent only on photographing Germanys new Chancellor pulling up outside a hotel in Knappes hometown of Leipzig The young Knappe ignored Hitlers chauffeur hopped onto the running board of the open limousine and snapped off three frames Over sixty years later Knappe still has the pictures The second time Knappe came face to face with Hitler was in early 1939 Knappe was by then a junior artillery officer at Kriegsschule Potsdam a military academy where he trained under legendary Field Marshall Erwin Rommel Knappe was being congratulated for his war college performance by the Fuhrer at a formal Reich Chancellory reception in Berlin Recognition for his exemplary achievements at Potsdam would promote Knappes advancement up the ranks throughout his military career The third time he met with Hitler was almost six years later and in the same building It was April 1945 As a top aide to General Helmut Weidling the commander of Berlins final defenses Major Knappe waited outside the briefing room in the Fuhrer bunker The Red Army was only 500 meters away clawing its way toward the bunker and the final destruction of the Third Reich Outside Berlin was a world of smoke fire death and horror recalled Knappe Inside protocol dictated that Major Knappe be presented by his commander to Hitler and Minister of Propaganda Joseph Goebbels I saluted and Hitler walked toward me As he neared I was shocked by his appearance He looked very old at least 20 years older than his 56 years remembers Knappe The major was shaken Like so many in Germany he had given his youth to a leader who stood for the nation Now Knappe could see that Hitler physically resembled his country withered defeated cursed Major Knappe decided to shoot Hitler the next morning On that last day in the bunker he stood near Hitler coolly calculating pistol range only to change his mind Let Hitler martyr himself Knappe decided After Knappe surrendered to the Russians he realized that the Fuhrer had inadvertently saved his life Major Knappe had become an eyewitness an eyewitness who would live to tell his incredible story All history granted a wide enough perspective is merely irony The ironies of Siegfried Knappes life are beyond number He survived five years of combat including four serious wounds three tours on the dreaded Eastern front and the final Allied assault on Berlin He helped negotia
