Paradise: Sides Of The North And The Mount Of Congregation Zen Garcia,2017-07-13 In June 2015 the Most High allowed me to decrypt

chapters 70-82 of the Book of Enoch's courses of the heavenly luminaries. This text has for 500 years been lost to modern translation because of the Copernican heliocentric worldview. The riddle was resolved with the Flat Earth As Key To Decrypt The Book Of Enoch. In this last book of the trilogy I explain the sides of the north connection to the throne of God, mount of congregation, Jacob's ladder, New Jerusalem, bottomless pit, and abysmal chasm, which situated at the North Pole is gateway into the Earth's hollow interior. A magnetic mountain is centered there, surrounded by a giant whirlpool which sucking and spewing out the oceans alternatively every six hours causes the tidal rhythm. Embracing earth as flat disc with upturned edge described by August Picard, one can unlock the geocentric cosmology affirmed by the Bible and other texts like Enoch.

Testaments of the Patriarchs and Prophets Zen Garcia, 2018-01-25. The purpose of this book is to show historically that the Israelites going all the way back to Adam and Eve not only honored a Triune Godhead which included a feminine Holy Spirit but also knew without question that the Son of God as Savior Messiah would be born at a certain time and certain place in fulfilling the prophecies given to their forefather Adam and passed down through their generations. Also that His first and second coming would align with and fulfill the Levitical 23 feast days and festivals as mandated by Yahweh Elohim for observance by the Israelites. The compilation includes The Gospel of Truth, Testament of Adam, The Book of Adam, Testament of Abraham, Testament of Isaac, Testament of Jacob, Ladder of Jacob, Testament of the Twelve Patriarchs, Joseph and Asenath, Testament of Job, Testament of Solomon, Psalms of Solomon, Odes of Solomon, Testament of Moses, Revelation of Moses, Tales of the Patriarchs, and The Ascension of Isaiah.

The Heart of the Gospel Robert E. Coleman, 2011-05-01. For more than forty years, Robert E. Coleman's bestselling *The Master Plan of Evangelism* has been the standard in evangelism literature. But what is the theology behind evangelism? And why is it important for Christians to understand? *The Heart of the Gospel* offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News. Each chapter covers a major biblical doctrine, explains its various evangelical interpretations, treats misconceptions that adversely affect evangelism, and offers practical applications of the doctrine. Based on decades of classroom teaching, this comprehensive work is aimed at ministry readers interested in evangelism and outreach.
