Past Trials And Present Tribulations A Muslim Fundamentalists View Of The Jews:

Past Trials and Present Tribulations Ronald L. Nettler, 1987-01 The emergence of Islamic fundamentalism has added a new theological dimension to Muslim Jewish relations and the Arab Israeli conflict *Past Trials Present Tribulations* examines this dimension from the perspective of the godfather of Islamic fundamentalism the Egyptian activist and writer Sayyid Qutb The author provides a translation of and commentary on Qutb's essay *Our Struggle with the Jews* explaining how Qutb applied ancient Islamic doctrine and experience to contemporary circumstances This book is the first detailed textual study of an important document of modern Islamic fundamentalist thought on the Jews Its focus upon the doctrinal dimension of the Middle Eastern conflict marks a significant departure from the more usual political and military emphasis given to the subject American Journal of Islamic Social Sciences 11:3 Mona M. Abul-Fadl, Taha J. al 'Alwani, Suha

Taji-Farouki, Mohammed I. Ansari, *The American Journal of Islamic Social Sciences* AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam **Muslim Palestine** Andrea Nusse, 2012-10-12 The ideology of Islamic fundamentalists is of central importance in the modern world but it is often distorted or misunderstood by the international media This insightful study provides a detailed analysis of the Palestinian Hamas movement's world view and shows how the theoretical framework developed by thinkers such as Hassan al Banna Sayyid Qutb and al Mawdudi is applied to a specific political social and economic context Nusse explains the fundamentalist position on recent events such as the Gulf War the Madrid peace negotiations and the Hebron massacre and helps to dissipate myths surrounding modern fundamentalist movements and their overwhelming success as opposition movements in the modern world

Pearlstein,2009-06-03 The nature and goals of terrorist organizations have changed profoundly since the Cold War standoff among the U S Soviet and Chinese superpowers gave way to the current polyplex global system in which the old rules of international engagement have been shattered by a new struggle for power among established states non state actors and emerging nations In this confusing state of global disorder terrorist organizations that are privately funded and highly flexible have become capable of carrying out incredibly destructive attacks anywhere in the world in support of a wide array of political religious and ethnic causes This groundbreaking book examines the evolution of terrorism in the context of the new global disorder Richard M Pearlstein categorizes three generations of terrorist organizations and shows how each arose in response to the global conditions of its time Focusing extensively on today's transnational i e privately funded and internationally operating terrorist organizations he devotes thorough attention to the two most virulent types ethnoterrorism and radical Islamic terrorism He also discusses the terrorist race for weapons of mass destruction and the types of attacks including cyberterrorism that are likely to occur in coming years Pearlstein concludes with a thought provoking assessment of the many efforts to combat transnational terrorism in the post September 11 period
