Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century *Times Literary Supplement* Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia-toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever-changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This *New Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career **The American Poet Laureate** Amy

Paeth, 2023-05-16 *The American Poet Laureate* shows how the state has been the silent center of poetic production in the United States since World War II It is the first history of the national poetry office the U.S. poet laureate highlighting the careers of Elizabeth Bishop Robert Frost Gwendolyn Brooks Robert Pinsky Tracy K. Smith Juan Felipe Herrera and Joy Harjo at the nation's Capitol It is also a history of how these state poets participated in national arts programming during the Cold War Drawing on previously unexplored archival materials at the Library of Congress and materials at the John F. Kennedy Presidential Library Amy Paeth describes the interactions of federal bodies including the Central Intelligence Agency the State Department and the National Endowment for the Arts with literary organizations and with private patrons including

Prozac heiress Ruth Lilly The consolidation of public and private interests is crucial to the development of state verse culture recognizable at the first National Poetry Festival in 1962 which followed Robert Frost's Mission to Moscow and which became dominant in the late 1990s and early 2000s The American Poet Laureate contributes to a growing body of institutional and sociological approaches to U S literary production in the postwar era and demonstrates how poetry has played a uniquely important and largely underacknowledged role in the cultural front of the Cold War

I Speak of the City Stephen Wolf, 2007 I Speak of the City is the most extensive collection of poems ever assembled about New York Beginning with an early piece by Jacob Steendam from when the city was called New Amsterdam and continuing through poems written in the aftermath of 9 11 this anthology features voices from more than a dozen countries It includes two Nobel Prize recipients fifteen Pulitzer Prize winners and many other recognizable names but it also preserves the work of long neglected poets who celebrate the wild possibilities and colossal achievements of this epic city Poets capture New York's major moments and transformations writing of Hudson's arrival Stuyvesant's prejudice and the city's astonishing growth and gentrification They speak of the thrills of a skyscraper's observation deck and the privations of teeming tenements They portray the immigrant experience at Ellis Island and the decay fear and unexpected kindness on a subway ride They take place on sidewalks bridges and docks in taxis buses and ferries and even within nature The Brooklyn Bridge Times Square Broadway the Statue of Liberty and other familiar landmarks are recast through the prism of individual experience yet still reflect the seeming invincibility of New York and its status as a cultural magnet for the freethinking and experimental While certain subjects and themes can be found in all urban verse poems about New York have their own restless rhythm and ever changing style much like the city itself Whether writing sonnets epics or experimental or imagistic verse each of these poets has been inspired by the marvels and madness humor and heartbreak of an enduring city
